

“Intra College Competition – ANTARA by Music Club (SWARA)”

Date: 23&24/09/2022 Day: Monday Place: KL University

Objective

Organizing competitions with a set of different rounds with respect to the categories - vocals, instrumentals, rap, music production and lyricism and selecting winners based on their performances in different rounds.

Description

The intra-college competitions is organized by the SWARA club on the 23rd and 24th of September 2022. The competitions were held in three rounds; first round required the contestant to showcase their raw vocals in the vocal category, instrumental abilities with no background tracks. The second round required the participants to use a karaoke followed by the third round, where the finalists got to perform with the band. Each of the rounds was scrutinized carefully and only the participants that cleared the set score were given a pass for the following rounds. The other categories also followed the same procedure. The contestants were tested for their scale, tempo and range capabilities. The event was monitored by Mr Jagdish Pendyala and coordinated by team SWARA.

Team Swara did a flash mob in front of Library Block to promote the Intra College Music Competition – ANTARA where many students gathered to hear us sing and play. It was a non-electric mob with only Acoustic Guitar and Cajon. We also recorded it live on our Instagram page. It went really well and we clarified some doubts of students at the end of the mob.

Ms. Varsha Chowdary Kadimi gave a welcome speech at the beginning of the event and explained the terms and conditions of the event to the participants present at the venue. Many participants raised queries about the competition which were also cleared at that time by her.

GLIMPSE OF THE EVENT:

Outcome:

The event was highly successfully and received a good feedback from performers and general audience as well. The intra-college fest allowed us to discover the capabilities of performers among students. The competitions also served as a medium for challenges and self-development in the respective fields.

No. of students attended: 100+

“AUDITIONS by Music Club (SWARA)”

Date: 12th – 15th /09/2022

Day: Monday

Place: KL

University

Objective

Selecting new members in the categories of vocalists, instrumentalists, music producers and lyricists into the SWARA music club through a refined recruitment process.

Description

The auditions were organized by the SWARA club on the 12th, 13th, 14th and 15th of September 2022 in the SWARA club, indoor stadium. In addition, a buffer day was scheduled to allow the students who were unable to attend on the earlier mentioned dates to participate. The Auditions went on from 2 PM – 7 PM on all the mentioned dates. Students from several branches and years have participated in their desired categories. The auditions were conducted in a two-round process. The first round required the participants to perform and showcase their abilities in the respective fields; they were tested for their scale identification, tempo management skills etc while the second round consisted of participants answering a set of questions as part of attitude analysis. The participants were then sorted into different levels - beginners, learners, and performers according to their performances. The event was mentored by Mr. Jagdish Pendyala and coordinated by team SWARA.

Participants registered in a form floated to collect their data. They were given slots according to registered order. They attended in their allocated slots and gave their audition. It was mesmerising to see such new talent.

As a part of the recruitment process, behavioral assessment is conducted through an interview process. Their confidence and their knowledge of the club is learned.

A meeting is held for all the students who gave audition and went through a thorough recruitment process. The meeting is addressed by the club's Student Mentor and Coordinators. Students gained insights about the vision and mission and a few rules and regulations of the club. It was an interactive session with answering few questions asked by the new recruits of the club.

GLIMPSE OF THE EVENT:

Outcome:

The auditions were attended by a huge number of students and winded up with very positive feedback. The Auditions served as a means for the students to perform and showcase their abilities with an aim of learning and self-development.

No. of students attended: 300+

“AUDITIONS by Music Club (SWARA)”

Date: 12th – 15th /09/2022

Day: Monday

Place: KL

University

Objective

Selecting new members in the categories of vocalists, instrumentalists, music producers and lyricists into the SWARA music club through a refined recruitment process.

Description

The auditions were organized by the SWARA club on the 12th, 13th, 14th and 15th of September 2022 in the SWARA club, indoor stadium. In addition, a buffer day was scheduled to allow the students who were unable to attend on the earlier mentioned dates to participate. The Auditions went on from 2 PM – 7 PM on all the mentioned dates. Students from several branches and years have participated in their desired categories. The auditions were conducted in a two-round process. The first round required the participants to perform and showcase their abilities in the respective fields; they were tested for their scale identification, tempo management skills etc while the second round consisted of participants answering a set of questions as part of attitude analysis. The participants were then sorted into different levels - beginners, learners, and performers according to their performances. The event was mentored by Mr. Jagdish Pendyala and coordinated by team SWARA.

Participants registered in a form floated to collect their data. They were given slots according to registered order. They attended in their allocated slots and gave their audition. It was mesmerising to see such new talent.

As a part of the recruitment process, behavioral assessment is conducted through an interview process. Their confidence and their knowledge of the club is learned.

A meeting is held for all the students who gave audition and went through a thorough recruitment process. The meeting is addressed by the club's Student Mentor and Coordinators. Students gained insights about the vision and mission and a few rules and regulations of the club. It was an interactive session with answering few questions asked by the new recruits of the club.

GLIMPSE OF THE EVENT:

Outcome:

The auditions were attended by a huge number of students and winded up with very positive feedback. The Auditions served as a means for the students to perform and showcase their abilities with an aim of learning and self-development.

No. of students attended: 300+

List of the participants:
