Minutes of the Report

Awareness on Hygiene Campaign

Date: 10-09-2022

Time: 10.30 Am Onwards, Place: Kasukarru Village, Vijayawada

The Department of Arts organized Awareness on Hygiene Campaign at Kasukarru Village, in association with *Women Forum*, Department of Arts, KLEF, on 10th September, 2022, flag hosted by the Head of the Department, Department of Arts, KLEF. Personal hygiene is the cornerstone of health and well-being. It encompasses simple yet vital practices like bathing, handwashing, and dental care. Inadequate personal hygiene can lead to severe health consequences. Ignoring hygiene practices makes the body a breeding ground for germs, leaving it susceptible to infections. Additionally, poor hygiene can lead to social isolation and impact mental well-being.

Campaign Objectives

1. Awareness: Educate individuals about the importance of personal hygiene for disease prevention and overall well-being.
2. Empowerment: Empower people with knowledge and tools to adopt and maintain proper hygiene practices.
3. Addressing Health Challenges: Our campaign focuses on spreading awareness about the impact of personal hygiene on health and social well-being. By promoting these practices, we aim to mitigate the risks of infections and health issues.

Minutes of the Report

World Consumer Day – Awareness Campaign, 2023, Date: 15-03-2023

Time: 05:00 Pm, Venue: Near Central Library Building, KLEF

The Department of Arts celebrated World Consumer Day, KLASS, on 15th March, 2023, inaugurated by Head of the Department, Department of Arts, KLEF. The consumer movement marks 15th March with World Consumer Rights Day every year, as a means of raising global awareness about consumer rights and needs. Celebrating the day is a chance to demand that the rights of all consumers are respected and protected, and to protest against market abuses and social injustices which undermine those rights.

World Consumer Rights Day is globally recognized with support from the United Nations and other international actors. For 40 years Consumers International has run the campaign, uniting the consumer movement to celebrate together. Consumers International Members help to select the campaign topic each year to help mobilize global action on pressing issues impacting consumers. The total 50 students are participated along with faculties on this campaign.

Minutes of the Report

National Civil Service Day Date: 21-04-2023

Time: 10:00 Am, Venue: New Seminar Hall, KLEF

The Department of Arts celebrated National Civil Service Day, on 21st April, 2023, and Inaugurated by Head of the Department, Department of Arts, KLEEF. It is observed on April 21 every year to acknowledge the work of officers who are engaged in various public service departments in the country. This day is also a reminder for civil servants to run the administrative machinery of the country collectively and with a dedication to serving the citizens. And there is no official theme to celebrate this day. As we know Civil Service is the service that is responsible for the public administration of the government of the country. It does not include legislative, judiciary, and military personnel. Let us tell you that the civil service members do not take any pledge to any political ruling party but are the executioners of the policies of the ruling political party. Civil Service in India consists of the Indian Administrative Service (IAS), Indian Police Service (IPS), Indian Foreign Service (IFS), and a comprehensive list of All India Services and Central Services Group A and Group B. 21 April is dedicated to the Civil Service people to commemorate their exemplary services and to reflect back what they have done years back. Also, on this day they make plans for the coming year, and how they have to work for their respective departments. The Department all Students and faculties are participated in this event, Deputy HoD made vote of thanks, and Head of the Department presided over the function.
