***Time: 11:30 Am, Venue: Open Air Theatre, KLEF***

The Department of Arts organized National Voters Day Awareness Campaign, in Association with KLASS, on 25<sup>th</sup>, January, 2024 at the KL University Campus, Vaddeswaram, and Guntur, This awareness campaign inaugurated by Head of the Department, Department of Arts, KLEF. National Voters Day is celebrated on 25 January to encourage the youth to participate in the vote in the electoral process. It not only encourages the youth to participate in the electoral process but also focuses on the fact that the right to vote is a basic right. Know about the National Voters Day history, significance, quotes, theme, and why is it celebrated in India. 25th January is the foundation day of the Election Commission of India (ECI) which came into existence in 1950. This day was first celebrated in 2011 to encourage young voters to take part in the electoral process. No doubt it is the day to celebrate the right to vote and also the democracy of India. The Election Commission's main objective is to increase the enrolment of voters, especially the eligible ones. Let us see that earlier the eligibility age of the voter was 21 years but in 1988 it was lowered to 18 years.

The Sixty-First Amendment Bill of 1998 lowered the voter's eligibility age in India. The Department all Students and faculties are participated in this event, Deputy HoD made vote of thanks, and Head of the Department, presided over the function

### World Consumer Day

**Date: 15-03-2024**

***Time: 11:30 Am Venue: Near SDC Block Seminar, KLEF***

The Department of Arts celebrated World Consumer Day, KLASS, on 15<sup>th</sup> March, 2023, inaugurated by Head of the Department, Department of Arts, KLEF. The consumer movement marks 15th March with World Consumer Rights Day every year, as a means of raising global awareness about consumer rights and needs. Celebrating the day is a chance to demand that the rights of all consumers are respected and protected, and to protest against market abuses and social injustices which undermine those rights.

World Consumer Rights Day is globally recognized with support from the United Nations and other international actors. For 40 years Consumers International has run the campaign, uniting the consumer movement to celebrate together. Consumers International Members help to select the campaign topic each year to help mobilize global action on pressing issues impacting consumers. The total 50 students are participated along with faculties on this campaign.
