#### *Department of Arts* **Awareness on Hygienic Campaign**

The Department of Arts organized Awareness on Hygienic Campaign at Kasukarru Village, In association with *Women Forum*, Department of Arts, KLEF, on 10<sup>th</sup> September, 2022, flag hosted by the Head of the Department, Department of Arts, KLEF. Personal hygiene is the cornerstone of health and well-being. It encompasses simple yet vital practices like bathing, handwashing, and dental care. Inadequate personal hygiene can lead to severe health consequences. Ignoring hygiene practices makes the body a breeding ground for germs, leaving it susceptible to infections. Additionally, poor hygiene can lead to social isolation and impact mental well-being.

#### *Campaign Objectives*

1. Awareness: Educate individuals about the importance of personal hygiene for disease prevention and overall well-being.
2. Empowerment: Empower people with knowledge and tools to adopt and maintain proper hygiene practices.
3. Addressing Health Challenges: Our campaign focuses on spreading awareness about the impact of personal hygiene on health and social well-being. By promoting these practices, we aim to mitigate the risks of infections and health issues.

### **World Consumer Day – Awareness Campaign, 2023**

The Department of Arts celebrated World Consumer Day, KLASS, on 15<sup>th</sup> March, 2023, innagurated by Head of the Department , Department of Arts, KLEF. The consumer movement marks 15th March with World Consumer Rights Day every year, as a means of raising global awareness about consumer rights and needs. Celebrating the day is a chance to demand that the rights of all consumers are respected and protected, and to protest against market abuses and social injustices which undermine those rights.

World Consumer Rights Day is globally recognised with support from the United Nations and other international actors. For 40 years Consumers International has run the campaign, uniting the consumer movement to celebrate together. Consumers International Members help to select the campaign topic each year to help mobilise global action on pressing issues impacting consumers. The total 50 students are participated along with faculties on this campign.
