

On **28.10.2016**, the students of Third year B.Tech were taken to **Sangam Dairy, Vadlamudi , Guntur** for a firsthand view of the industrial process as part of their curriculum for Food Technology. Faculty members Dr. M. Sudhamani, Dr. M.S.R. Krishna, Mrs. Ekleshia Sesham and Mr. Ch. Kiran (Lab Technician) accompanied them. The students started for the dairy at 10.00am and reached the dairy at 11.00am. The visit included the raw milk reception dock, processing, butter section, ghee section, byproducts section, Powder section, UHT section. After lunch at 2.00-3.30 PM the students started back and reached the university campus at 4.30 PM.

Sangam Dairy is due to the presence of "Sangameswara" temple at Sangam Jagarlamudi village near the vicinity of vadlamudi village. The Dairy is located on the Guntur-Tenali state high-way about 15 km from Guntur and 10 km from Tenali having good architectural view attracting visitors. It is one of the most familiar visitor's spots in Guntur District. Sri Yadlapati Venkatrao was functioned as founder Chairman of the union up to 1979. Later, Sri Dhulipalla Veeraiah Chowdary was elected as Chairman of Sangam Dairy who contributed remarkable service for the growth and success of Sangam Dairy and fought for the upliftment of the rural milk producers. He is called and popularly known as "PALA VEERAI AH" as he was closely associated with milk producers and he was always proud to identify himself with Sangam Dairy. He later elevated to the Chairman of APDDCF Ltd., Hyd. The university is thankful to Mr. V. Srinivas and Mr. M. Srinivas of Sangam Dairy for coordinating the visit and for explaining the industrial processes.
