

K.L. UNIVERSITY

DEPARTMENT OF CIVIL ENGINEERING

GEO TECHNICAL ENGINEERING, TRANSPORTATION ENGINEERING AND CONSTRUCTION TECHNOLOGY MANAGEMENT (GTCRG) RESEARCH GROUP

MINUTES OF MEETING

DATE: 7th August 2020

The GTCRG Research Group meeting was commenced at 6 p.m. through Webex Online meeting platform.

Dr. Ashwin Raut, Research group head welcome the members.

Following activities were conducted in the GTCRG group meeting;

- Mrs. B.S.S. Ratnamala Reddy gave an orientation lecture on “**An Analytical Approach for site selection and management of municipal solid waste through public private partnership (PPP) using geospatial technology: A Model Case Study**”.
- Discussion regarding the M.Tech CTM student’s Project Titles and their respective plan of action was taken place.
- Suggestions were made for some students to rework on their project titles as they were too broad.
- Motivation session was also conducted for M.Tech project students to improve their quality of projects.

GTCRG Research Group Head
