Inauguration

Welcome Dance

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

Today program started with welcome dance (Indian classical) by students and later guests i.e., Dr. L.S.S.Reddy, Hon'ble Vice chancellor, KLEF, Er.K.Raja Harin, Hon'ble Vice President, Dr.D.Venkat Reddy(Conference Chair), Dr.G.Appa Rao(Guest of Honour),IITM,Dr.K.SubbaRao, Principal COE, KLEF,dr.Bambang Istinjono, Professor, Department of Civil Engineering , Andalas University,Padang,Indonessia, Dr.RanjithDissanayake, Professor, Srilanka, Dr.J.M.Chandra Kishen, Professor,IISC,Dr.P.Poluraju, HOD,CivilEngineering Department, KLEF, Dr.K.Raja Sekhara Reddy, KLEF were invited on to the dias at R&D block auditorium. Later prayer song by student followed by lightening of lamp and the guests delivered their speeches regarding the conference that this type of international conferences will get all types of innovations, ideas, research works all around the world gather at one place. And Vice chancellor was very happy for conducting this event in our KLEF.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

Dr. G. Appa Rao, Professor, IIT Madras, Former scientist at DRDO.

- He received his masters in engineering and was awarded Ph.D. from IISC Bangalore.
- He was awarded DAE-SRC Outstanding investigator award in 2015 by the department of Atomic energy, for the outstanding contribution in a special area of research.
- He also received Young Scientist Award under SCRC fast track Scheme by DST Govt. of India in 2002 for best research proposal. And Ultratech Outstanding superstructure award by ICI for design of a bridge across Arian Kuppam, and as well Bharat Jyothi award by International Friendship Society in 2006.
- He has memberships in IAFRAMCOS, ICI, ACI, SMIRT, EM and ISTE.
- His Research interests are Fracture Mechanics of Concrete (Applications), Reinforced and Pre-stressed Concrete, FE Modelling and strengthening of RC Joints/connections, Structural Materials.
- Currently Dr. G Apparao is working as professor at IIT Madras.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

2019

I. DR. N.V Ramana Rao, Director and Professor, Civil Engineering, NIT Warangal.

- He was awarded Post Doctorate and PhD at UK in Civil and Structural Engineering from University of Wales, Swansea, UK.
- Masters Engineering from IIT Delhi.
- I am very happy to mention that He has edited three books and published 147 papers in International Journals.
- I would like to mention few in specific of the several awards he received like Outstanding Concrete Engineer award for the year 2012 by AP, Sir Arthur Cotton memorial Prize by the Institute of Engineers for the best paper in the IEI Journal, December 2012.

He has been member of Academic senate, JNTU Hyderabad, Expert committee member of City Police Commissionerate, Headquarters Building and Integrated Command and Control centre and so on.

Ranjith Dissanayake, Senior Professor in Civil Engineering, University of Peradeniya, Sri Lanka

- He was a Fulbright Scholar, Endeavour Fellow, and JASSO Research Fellow during 2008.
- He was awarded the Young Scientist Award in 2007 for Excellence in Scientific Research by the NSTC of Sri Lanka.
- He received the Overseas Prize of the ICE in 2007, UK and the Australia Alumni Excellence Award in 2012.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

2019

- He has published over 100 journal papers. He has chaired ten international conferences. He is a fellow of the IESL.

- He is the Chairman of the Green Building Council of Sri Lanka (GBCSL) and Civil Engineering Sectional Committee of IESL. He is Chairman for Lego International (Pvt.) Ltd, ICB (Pvt.) Ltd, Lanka AAC (Pvt.) Ltd and IIPS (Pvt) Ltd.
- He is chairing of the 10th International Conference.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

II. J.M Chandra Kishen Gaaru, Professor, IISC Bangalore.

- Earlier he was a chairman of the Centre of Infrastructure, sustainable Transportation and Urban Planning, IISC Bangalore.
- He completed his Ph.D. at the University of Colorado, Boulder, USA in the year 1996.
- His research interests are in the area of fracture and fatigue mechanics with applications to residual life assessment and health monitoring of damaged structures.
- He is nominated as the fellow of the international association of fracture mechanics of concrete and concrete structures.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

- In recognition of his outstanding contributions in the field of engineering sciences, he was presented with the prof. Satish Dhawan Young Engineer State Award by the Government of Karnataka.

III. Bambang Istijono, Professor, Department of Civil engineering of Andalas University, Padang, Indonesia.

- He was awarded Doctorate from Andalas University, Indonesia.
- He completed his Master Engineering from WRDTC, Roorkee University.
- And Graduated PG Diploma from WRDTC, Roorkee University.
- His research interests are Water Resources Engineering and Management as well as Disaster Risk Education.

He has done 22 journal publications and many conference proceedings.

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

Key note speakers delivered lectures on “Tall Structures” by Dr.N.V.Ramana Rao, Director and professor, Civil Engineering ,NIT Warangal. And also “Forensic Engineering “ by Dr. Ranjith Dissanayake, Senior Professor in Civil Engineering, University of Perandeniya, Srilanka as well as Lecture on “Health Monitoring of Structures “ by J.M.Chandra Kishen, IISC , Bangalore.

Parallel Sessions :

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

Parallel Session 1	
Chair	Dr. Ranjith Dissanayake
Co-Chair	Dr. B. K. Rao
Paper Ids:	2,8,10,30,44,98,158
Parallel Session 2	
Chair	Dr. Raghu Kanth STG
Co-Chair	Dr. V. Ranga Rao

Parallel Session 7	
Chair	Dr. Appa Rao G
Co-Chair	Dr. V. Ranga Rao
Paper Ids:	4,5,13,163,166,180
Parallel Session 8	
Chair	Dr. K. Ramesh
Co-Chair	Dr. B. S. Chandra
Paper Ids:	35,38,39,42,47,191
Parallel Session 9	
Chair	Dr. J. Sri Kalyana Rama
Co-Chair	Dr. Sanjeeth Kumar
Paper Ids:	51,55,56,60,64,193
Parallel Session 10	
Chair	Dr. A. Siva Shankar
Co-Chair	Dr. Dinesh Singh
Paper Ids:	209,214,217,218,219,220

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

DAY2

Keynote Session Started by Dr.Venkat Reddy on "Geo-Technical investigations for tunnels and Underground excavations – Typical Analysis"

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

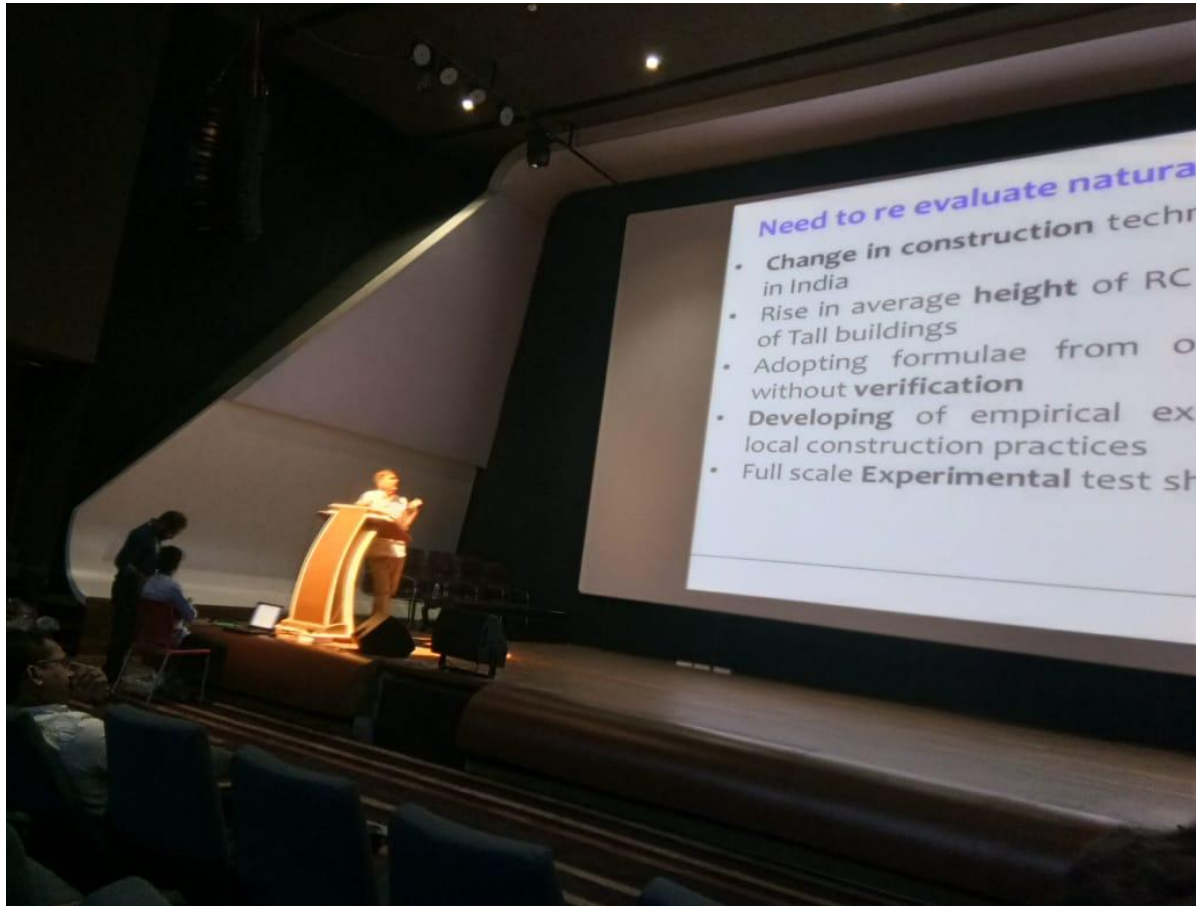

2nd International Conference on Advances in Civil Engineering

21-23 March 2019, Department of Civil Engineering, KLEF

Next Key note session by Dr.R.Pradeep Kumar on “ Earthquake Safety Issues of Reinforced Concrete Tall Structures in

India” .

2nd International Conference on Advances in Civil Engineering

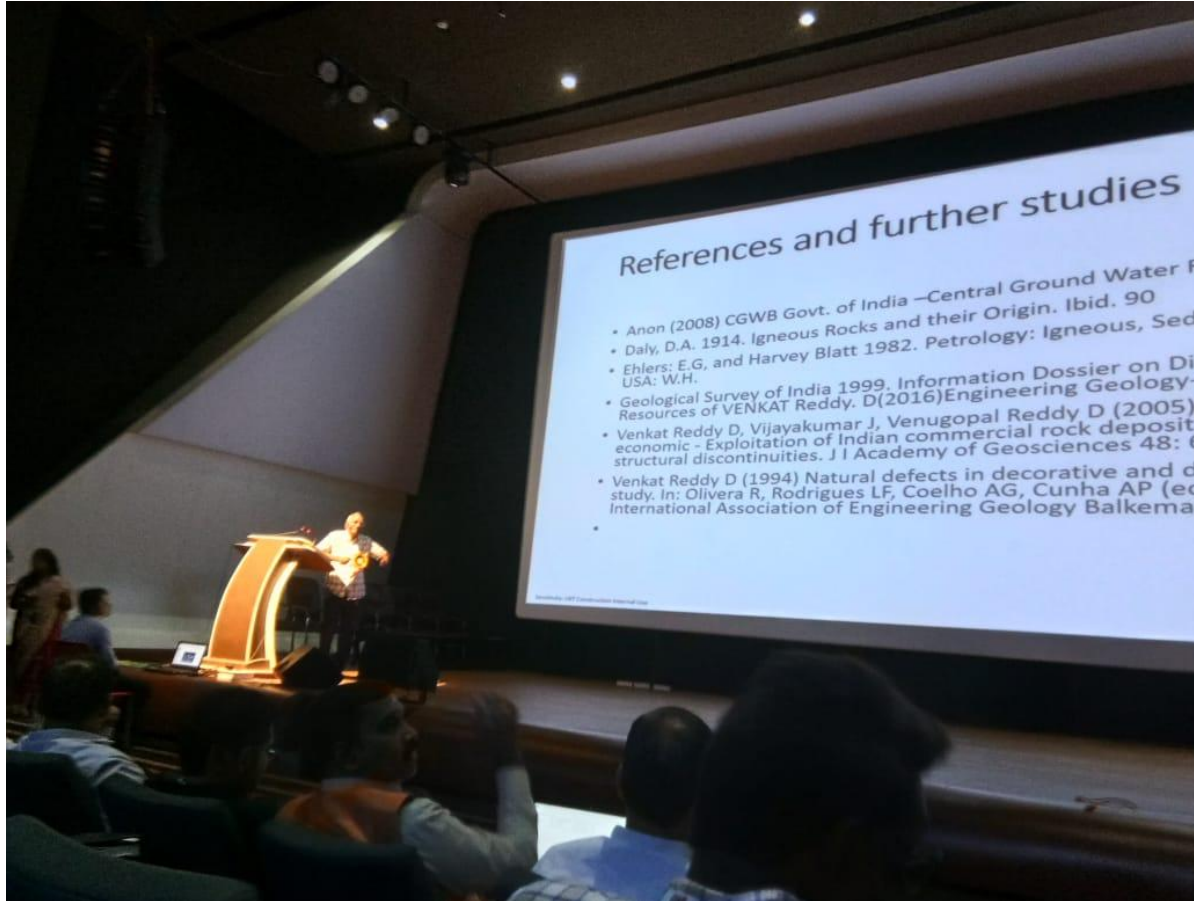

21-23 March 2019, Department of Civil Engineering, KLEF
