

SAMYAK 2011

13-14 October 2011: The techno-management festival of K L University SAMYAK 2011 was inaugurated by **Sri GSRKR Vijay Kumar IAS**, Vice-Chairman VGTMUDA in the presence of **Prof. G L Datta**, Vice-Chancellor, K L University, **Er. K. Raja Harin**, Vice-President, K L E F, and **Prof. A Srihari Prasad**, Convener, SAMYAK 2011. The event has recorded presence of 15,284 students in the campus and 6547 registrations for technical events alone making it the second largest technical festival of Andhra Pradesh.

Organizing more than 110 technical events have got striking response from 540 students all over India. SAMYAK '11 adopted and implemented its theme "GO GREEN" in a grand scale by making models of Eifel tower (36 ft high), pyramids, large globes etc. from discarded construction materials available in the university which amazed the participants and made a trend setter. Even the kits that were handed over to the registrants were made of cotton contrary to polymer bags issued in many other fests.

Several 25 ft concept paintings made with eco-friendly material have become eye candy to the youngsters who visited the campus. About 9 different workshops on topics like Embedded systems, Robotics, Sixth sense Botz, RC Cars, Joomla, Linux, and Android were conducted. More than 2000 papers were presented in the two day event along with poster presentations, model exhibitions in the fields of Computer Science, IT, Electronics and Communications, Electrical, Civil and Mechanical Engg, Management, Bio Sciences, etc. and other exciting spot events like robo wars, program hunt, fort knox and many other spot events. The students after their stress filled technical hours were chilled with electrifying performances in the cool cultural nights.

The growth rate of student response for Samyak has been enormous from the past two years i.e. registrations raising from 1500 later 3300 now 6500 odd with is a very promising number as said by Prof. K. Viyyanna Rao I/C Vice-Chancellor of Acharya Nagarjuna University (ANU) and Krishna University, and Rajendra Prasad. V, President of Vijayawada AUTO cluster.
