We are very glad to inform you that the department of Civil Engineering has successfully organized “58th Teacher’s Day” celebrations.

The event has started with a Prayer Song and an introductory His Early Life, Career, Contributions of Dr Sarvepalli Radhakrishnan

Teachers' Day 2020: In India, Teachers' Day is celebrated on September 5, the birth anniversary of Dr Sarvepalli Radhakrishnan, an outstanding teacher and scholar.

The birth date of the second President of India, Sarvepalli Radhakrishnan, 5 September 1888, has been celebrated as Teacher's Day since 1962.

Later, Dr.Ch.Hanumantha Rao, Ph.D., Head of the Civil Engineering Department, KL Deemed to be University, has addressed the students about the specialty of the Teacher's Day and the Department of Civil Engineering.

After This a Video was Played as a Tribute to All the Faculty of Civil Engineering Department.

Later the Event Was followed by The Senior Professors of Civil Department Who Expressed Their ways and their valuable Experiences to enlighten Students.

This Was Followed by an Enlightening Presentation by B Raviteja, on The pinnacles in Civil Engineering

BAMBOO : AS A CONSTRUCTION MATERIAL

Bamboo is a woody grass. It is the fastest-growing woody plant in the world. They are capable of growing 60 cm or more per day. However, the growth rate is dependent on local soil and climatic conditions.

Then the Event Was Moved Forward by Our Alumni Joining Us From Different Places, They Expressed Some Heart touching and Thought Provoking Experiences with Their Teachers.
