DEPARTMENT OF CIVIL ENGINEERING

ENVIRONMENTAL ENGINEERING, WATER RESOURCES & GEOSPATIAL TECHNOLOGY RESEARCH GROUP & CLUB ACTIVITIES

Monthly Report for The Month of August 2016

Dt.27.08.2016

The EEWRGG Research Group and Club activity was commenced at 5PM in the Room No.M305. Dr. T Reshma, Research group head welcome the members.

- Dr. A Siva Shankar suggested that civil engineers should think in multidisciplinary research and develop technologies for making India as a developed nation. It is also informed all the students should come with laptops to the research club activity for doing research activities.
- The faculty suggested the students to do their project works/ term paper works.
