

## Two Day Hands on Workshop on Arc GIS

A Workshop on Remote using Arc GIS software was organized in Department of Civil Engineering from 14<sup>th</sup> to 15<sup>th</sup> March, 2013 in collaboration with ESRI, Hyderabad, India. The workshop was inaugurated by Dr. A. Anand Kumar the principal of KLU. The workshop was facilitated by Mr. Ramkoti Konda, Regional Technical Manager, of ESRI, India. In this the total of 110 students from final year of the Civil Department participated.

The main theme of the workshop was to give students a hands on training for 2-days for the use of the software and make them familiar with how this tool can be used to process hydrological and geophysical data which help civil engineers in planning and design of large hydraulic control structures.

At the end of the two day session certificates of participation were distributed by Dr. Shashi kumar gupta, HOD, Dept of Civil Engineering and Mr. Ram Koti Konda, Regional Technical Manager of ESRI India. At the end Mr. P. Sundar Kumar has given the vote of thanks and concluded the workshop.
