

Parents' Meeting

01 October 2012: The Department of Civil Engineering, K L University conducted the parents' meeting for the first semester of academic year 2012-13 from 10:00 AM to 12:30 PM at Peacock Hall, K L University.

Dr. Ch. Hanumantha Rao, Head of the Department extended his hearty welcome to all the parents and expresses his happiness for attending the parents' meeting. He presented the department profile and introduced the available facilities, faculty strength, track record of 100% placements, research publications & consultancy, and highlighted the achievements by students who won awards in various prestigious competitions including the "Yuva Ratna Award" as well as medals won in national / international level sports.

Dr. A. Anand Kumar, Principal – K L University College of Engineering addressed the parents and mentioned that such meetings would pave the way for the University authorities to have a cordial relationship with the parents. Since the students express their problems more with parents and feel hesitant to reach their faculty, he advised the parents to bring such issues to the notice of faculty and head of the department which can be resolved effectively.

Dr. K.R.K. Prasad, Dean (Student Welfare), K L University addressed the parents on various issues related to the transformation stages of their children from teenage to adults. He expressed that students were under the supervision of their parents during their childhood. Once they become teenagers friendly relation has to be maintained with them to know their interests. Accordingly the parents and their children should set goals in life and work hard in achieving them. He also mentioned that there are many opportunities for Civil Engineers in both government and private sectors and also advised the parents to encourage them and be a part of their achievements.

There was a feedback session where parents were encouraged to give their suggestions so that the department can guide their children in a better way and making them productive civil engineers. The parents participated actively in this session and came up with their ideas and requirements.

Welcome Note by Dr. Ch. Hanumantha Rao, Head of the Department (Civil Engineering)

Note by Dr. A. Anand Kumar, Principal KLU College of Engineering

Note by Dr. K.R.K. Prasad, Dean (Student Welfare) K L University

After the meeting the parents interacted with all the faculty members and enquired the performance of their children. They were able get the progress report on percentage of attendance and marks till September 2012 from the respective counsellors who were allotted for every 20 students each.
