

PARENTS MEETING

18th March 2013: The Department of Civil Engineering, KL University organized a parents meeting for the 2nd semester of the academic year 2012 – 13 from 1:30 PM to 4:30 PM at Peacock hall, KL University.

Dr. Shashi Kumar Gupta, the Head of the Department extended his heartily welcome to all parents and thanked them for coming all the way leaving their work and participating in the meeting. He discussed the department's faculty profile, adoption of the international model of competency based teaching and learning, preparation of lesson plans and delivery of lessons bringing out clearly the knowledge level focused with the parents.

He also informed parents what the department is doing to bring slow learners to main stream and in providing training to students for placements with the help of CSS and IRP department. He also highlighted students contribution for research and participation and stated that 5 of our students from 2012 passed out batch selected in Royal Bhutan Civil Services and also the topper of this service is also from this batch of students. Taking some inspiration from this, KLU has started an IAS academy which shall further enhance the placement opportunity of our students. He also praised the achievements of our students who have secured first three ranks in YUVA RATNA Awards conducted by Aditya Birla Group in which students from all IIT and NIT participate.

There was an interactive session where parents were encouraged to give their suggestions so that department can guide their children in a better way and making them productive civil engineers. The parents participated actively in this session and came up with their ideas and requirements.
