

## **CERTIFICATE COURSE ON ADVANCED STRUCTURAL DESIGN ON STAAD PRO**

A Certificate course on Advanced Structural Design on STAAD Pro was organized in Department of Civil Engineering from 13th to 15th February, 2015 in collaboration with Engineers CAAD Center, Hyderabad, India. The Course was inaugurated by Dr. K. Ramesh, Director, School of Civil and Mechanical Sciences, Head of the Civil Engineering Department, KLU. The workshop was headed by Mr. D. Anand Kumar Reddy, Managing Director, Engineers CAAD Center, Hyderabad. In this the total of 160 students from third year of the Civil Department participated. The main theme of the workshop was to give students a hands on training for 3-days for the use of the software and make them familiar with how this tool can be used to process structural analysis and design of advanced structures which help civil engineers in analysis and design of multistoried structures.
