EVENT DESCRIPTION:

The main theme of the NSS cell is to create the social awareness among Students. This Event is conducted in vaddeswaram village to bring awareness in people about how to overcome various seasonal flues by avoiding mosquitoes in their surroundings.

SESSION ACTIVITIES:

The event started around 10:45am in the college with NSS clapping to fill energy and motivation in the team. About 11 am our team reached vaddeswaram village. NSS team reached a govt school .Starting From the school from Panchyat office our teams started announcing about the awareness on mosquito diseases in the village .We had a Survey form is drainage system, roads and street family details, social conditions and food lights. Each with us school students also participated very energetic .Total survey is done in three hours. Finally event was concluded around 12:30 with NSS clap.

This event is conducted in order to create a virtual environment where the student can gain the ability to think out of the box which can help in his real time opportunities. Students participated with great enthusiasm and made the event a grand success
