EVENT DESCRIPTION:

ECE NSS cell arranged multi-special medical camp with support from siddartha medical college doctors and paramedical staff. The main theme of this special camp is to provide Free Medical services for the people living in Vaddeswaram village. Various health checkups were conducted in this camp and for all common health problems medicine is provided for free of cost. Doctors advised people for advance treatment If they diagnosed with major health issues.

SESSION ACTIVITIES:

The event started around 9:30 AM in University. Necessary arrangements are made prior to the start of the event by the organizing team. We started our event successfully with NSS clap in University. Next we started our journey to Vaddeswaram, during the journey we divided ourselves into teams based on the work assigned with. We reached medical camp venue by 9:40 AM and distributed our work places. Medical Camp is inaugurated by Village

Sarpanch in the presence of Dean Student Affairs, Dr.Habibulla Khan Garu and NSS coordinators. In the Medical Camp as per instructions of the doctors two of our members enlisted the patient's details in a list and issued registration slips to them. Every patient is called in the order of their registration numbers issued. In the meantime, in order to prevent the people from dehydration some of us gave them Glucose water.

Every patient called, is checked for BP (Blood Pressure) first and then instructed to meet the doctor and convey their health issues. As per the advices of doctors and availability of medicines we issued Free medicines to whoever required and further continues the same with all the patients. Village Sarpanch and the doctors attended congratulated us for our service. We departed from the village to KLU by 3:00 PM. We thank the NSS Cell, Department Of ECE, K L University for providing us with the bus and other required facilities (food, water) to serve people.
