**Sub:** Organizing event "Workshop" for the students of Electronics and Communication Engineering, of Vaddeswaram Campus of KLEF – Reg.

\*\*\*

This is to inform that the Department of Electronics and Communication Engineering, KLEF, is Organizing a "Workshop on Virtuoso Layout Design" for the students of Electronics and communication Engineering, Vaddeswaram Campus of KLEF on, 04-03-2023, as details below:

Event Name: "Workshop"  
Date: 04-03-2023  
Venue: R-106

All the students of ECE, are invited to attend this program.

Dy-HOD's & Year coordinators are requested to bring this information to the attention of all ECE students and encourage them to participate in this program.

To  
All ECE Students,  
All ECE Faculty,  
Principal.

Dr. M. SUMAN  
Principal/Head  
Department of ECE  
Dr. M. Suman  
Green Fields, Vaddeswaram,  
Guntur Dist., A.P. PIN: 522 302

### **A Three-Day Workshop On “Virtuoso Layout Design”**

**By**

**Always@VLSI**

**Department Of ECE**

**Name of the event:** Virtuoso Layout Design

**Dates:** 04-03-2023

**Venue:** R106

**No. of students participated:** 122

**Objective of the event:**

The "Virtuoso Layout Design" event organized by the Always@VLSI technical club aims to provide a platform for aspiring engineers and enthusiasts to enhance their skills and expertise in the field of integrated circuit design. Through hands-on workshops, interactive sessions, and competitions, participants will delve into the intricacies of layout design using Cadence Virtuoso, a widely used software tool in the semiconductor industry.

This event seeks to foster creativity, problem-solving, and innovation among participants, equipping them with practical knowledge and experience essential for a successful career in VLSI (Very Large Scale Integration). By engaging in real-world design challenges and networking with industry professionals, attendees will not only expand their technical proficiency but also gain valuable insights into the latest trends and advancements in VLSI design. Ultimately, the Virtuoso Layout Design event endeavors to inspire and empower the next generation of VLSI engineers to excel in this dynamic and ever-evolving field.

## **Description of the event:**

The "Virtuoso Layout Design" event, hosted by the Always@VLSI technical club, is a dynamic gathering aimed at enthusiasts and professionals eager to deepen their understanding of integrated circuit design. Through a blend of workshops, seminars, and hands-on projects, participants will immerse themselves in the intricacies of layout design using Cadence Virtuoso, a leading software tool in the semiconductor industry.

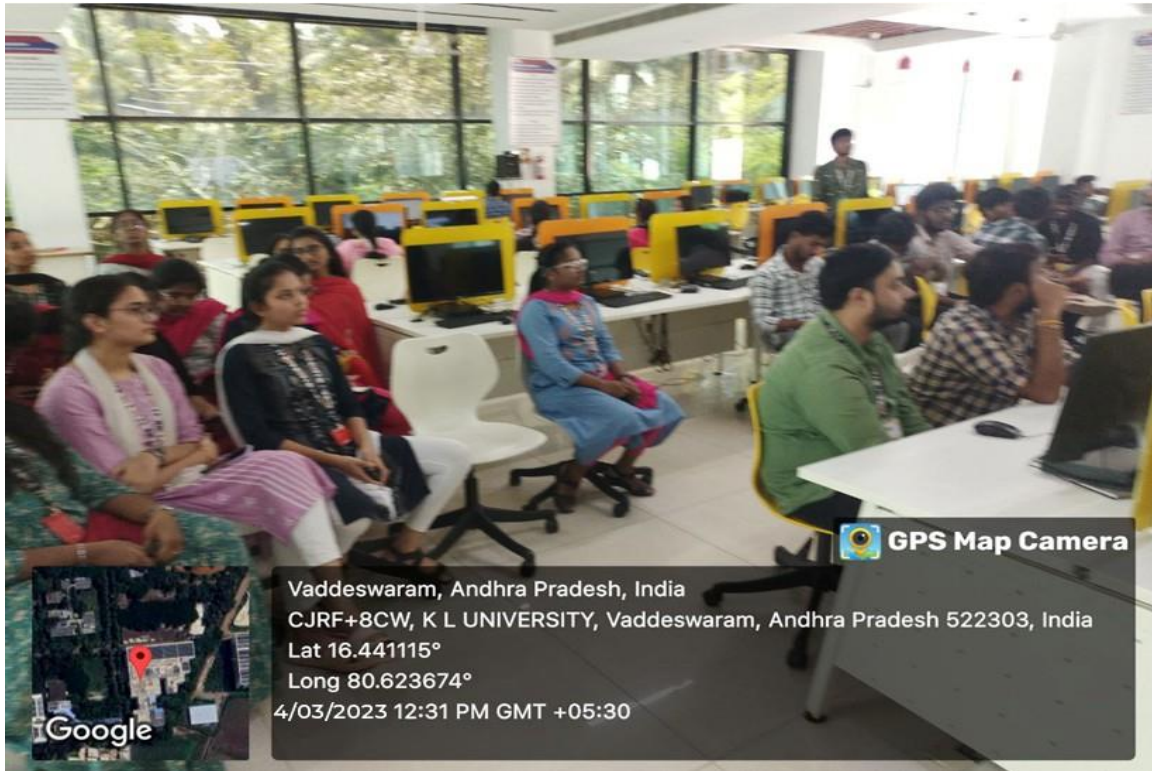

Attendees can expect to gain practical experience, refine their skills, and engage in insightful discussions with experts in the field. With a focus on fostering collaboration and innovation, this event provides a valuable opportunity for individuals to expand their knowledge and network within the VLSI community. Whether beginners or seasoned professionals, all are welcome to join and contribute to this vibrant exchange of ideas and expertise.

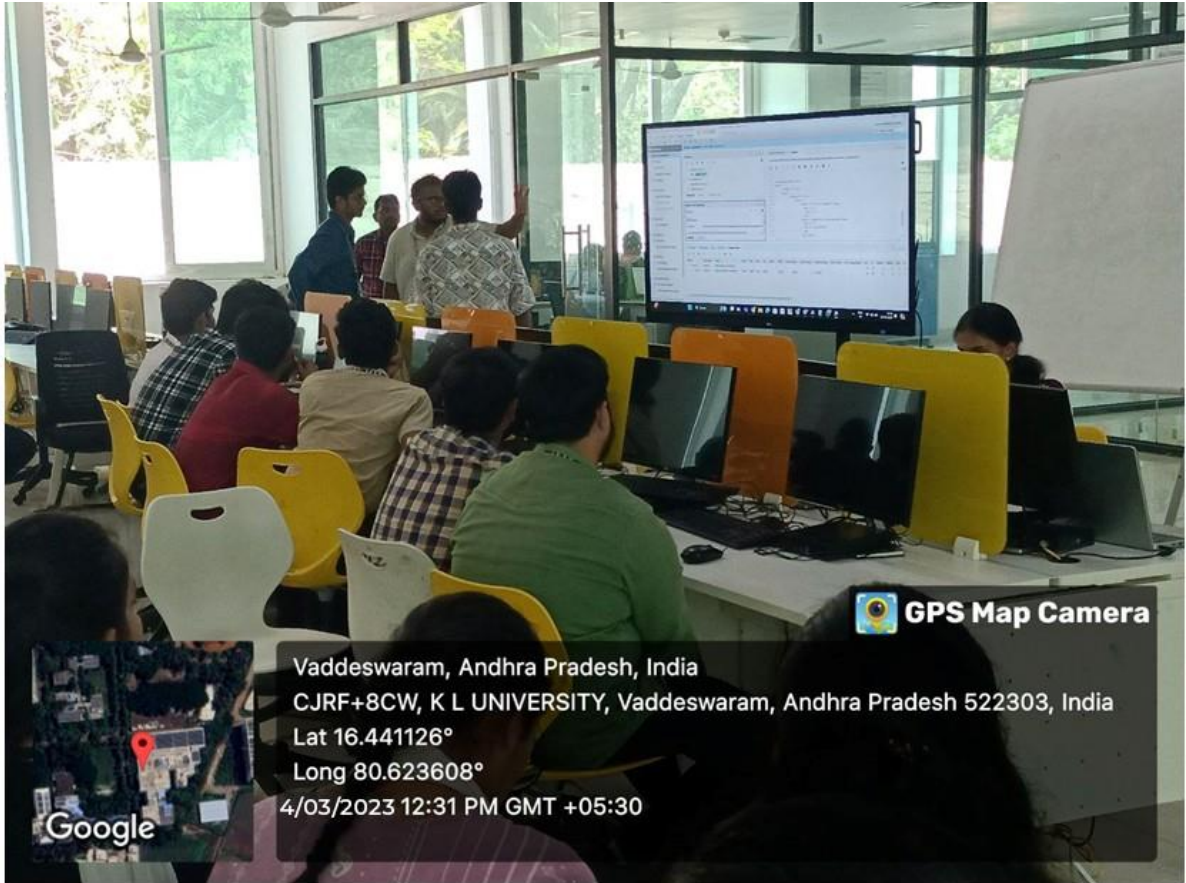

## **Outcome of the event:**

The "Virtuoso Layout Design" event yielded significant outcomes for participants, ranging from enhanced technical proficiency to expanded professional networks. Attendees gained practical experience and expertise in integrated circuit design using Cadence Virtuoso, honing their skills through hands-on workshops and interactive sessions. Furthermore, the event facilitated valuable networking opportunities, allowing participants to connect with industry professionals and peers, fostering collaboration and knowledge sharing.

Through engaging in real-world design challenges and discussions, attendees not only deepened their understanding of VLSI design but also gained insights into emerging trends and best practices in the field. Overall, the event contributed to the personal and professional development of participants, equipping them with the tools and connections necessary to excel in the dynamic realm of VLSI technology.
