TIME : 8:30 A.M to 12:00P.M
VENUE : Kolanukonda
ORGANIZED BY : KLUECE NSS CELL
FACULTY INCHARGE : Mr. P.Srikanth Reddy
STUDENT CO-ORDINATOR(S) : 1.Ch.Satish Kumar
2. S.Siva Krishna

EVENT DESCRIPTION:

The main theme of the NSS cell in this camp is to create awareness about the water and power saving to the people who are living in the village Kolonukonda. On this eve of NSS camp we arranged survey forms and the pamphlets which are describing about power and water saving with small pictures.

SESSION ACTIVITIES:

The event started around 8:30 AM in University. Necessary arrangements are made prior to the start of the event by the organizing team. We started our event successfully with NSS clap in University. Next we started our journey to Kolanukonda, during the journey we divided ourselves into teams based on the work assigned with. And here we discussed some of the techniques to save water and power .We reached the village by 8:50 AM and distributed our work places. We done a survey on different issues like name, address, how many members are living in the house, general water source, mineral water source, amount of current bill per month and general problems. At the same time we distributed the pamphlets

regarding water, power saving and also we suggest some of the methods to save water and power. And after that we all the volunteers move to the orphanage which is present in kolanukonda named as Krushi Orphanage by Yuvatharam Foundations. We spent some time with the children present there and distributed the chocolates. while spending with the children all our NSS volunteers is felt like Self motivated towards the society. We end the event with NSS clap.
