<b>FACULTY INCHARGE(S)</b>	:	1. Mr. P. Syam Sundar 2. Mr. R. Rahul
<b>STUDENT CO-ORDINATOR(S)</b>	:	1.Hassan Baba 2.Y.Nireekshith

**EVENT DESCRIPTION:**

Everyone says that Engineer life is most Challenging life and he is considered to be one of the most intelligent person in real time world. So to test the intelligence of that person PULSE had conducted a non-technical and fun event, Treasure Hunt which provides the student not only fun but also invokes him to think out of the box. On this day the PULSE student body of ECE has conducted Treasure Hunt for all the students.

**SESSION ACTIVITIES:**

The event started around 2:30pm in C121. Necessary arrangements are made prior to the start of the event by the organizing team. Students participated with great enthusiasm and made the event a grand success. This event is conducted in order to create a virtual environment where the student can gain the ability to think out of the box which can help in his real time opportunities .this lateral thinking developed by the student serves assort the upcoming campus placements that are to be faced by the students. The competition was crowded with more than 213 batches and each team consist maximum of 3 members, and was conducted in C121. Teams started their run for the treasure by taking the clue that will be initially provided to them and went in search for the others along with their team. No team was able to beat the 5 clues and the teams reported with their clues at 4:45 PM and the teams that brought the most clues among them were kept in an lottery and the winner of the lottery was declared as the winner.
