

KL UNIVERSITY
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Women's Forum -E.C.E

EVENT DESCRIPTION:

For more than 100 years, the world has celebrated International Women's Day on March 8. Organizations, governments, charities, educational institutions, women groups and the media celebrate this day. This special day recognizes the advances made by women and girls all over the world. It is a day on which women, men, girls and boys come together to celebrate, show solidarity and recognize the dreams, aspirations and empowerment of women. International Women's Day is an opportunity to commemorate the bravery of women in confronting injustice.

The women's day celebrations details:
