K L University

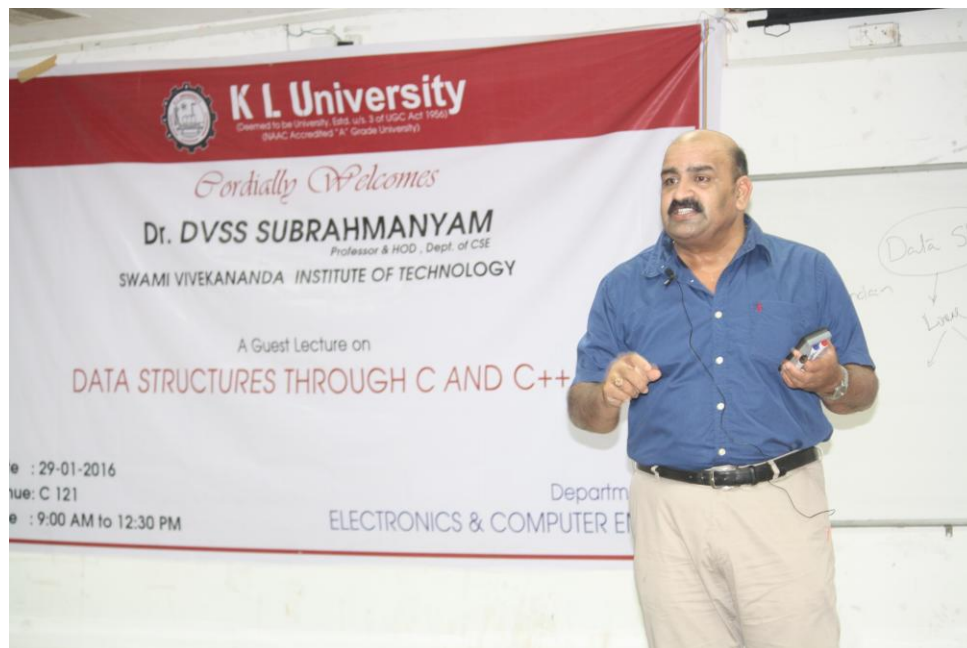

Guest Lecture on

“DATA STRUCTURES USING C AND C++”

Dr. D.V.S.S. SUBRAHMANYAM

On 29-01-2016 the department of ECM has organized a guest lecture on the topic “DATA STRUCTURES USING C AND C++” for the students and faculty by Dr. D.V.S.S. SUBRAHMANYAM Professor and Head, Dept. of CSE, Swami Vivekananda Institute of Technology, Secunderabad. He explained the students, different methods to improve their proficiency in Data Structures using C and C++, so that they will have better chances of placing in Multinational companies and Campus placements.

Dr. Dr. K. Raghava Rao - HOD-ECM, Smt. T. Anuradha - Alternate Head-ECM, Dr. K. Srinivas Ravi in-charge and Dr. D.B.K.Kamesh and faculty of ECM and students of ECM students had attended the guest lecture.

Dr. K.Sreenivasa Ravi
