

K L University

Department of Electrical & Electronics Engineering

Report

Resource person : Sri P D Raju
Date : 01-04-2016
Event : Guest Lecture
Topic : Technologies In Communication Fields
Time : 12.00PM -01.40PM
Venue : Jasmine Hall, K L University
Organized by : Dept. of EEE
Faculty In charge : Ms. K SARADA

Introduction to resource person:

Sri P D Raju has industrial experience of 20 years in BSNL, Vijayawada. During his career he is an expert in Communication networking. He worked in various centers of BSNL.

Event Description:

Guest Lecture is an activity organized by Dept. of EEE of K L University on 01-04-2016 from 12.00PM – 01.40PM. The resource person is **Sri. P D Raju, AGM, BSNL, Vijayawada**. He delivered a lecture on “**Technologies in Communication Fields**” for the II B-Tech (EEE) Students.

Session Activities:

The Lecture is scheduled in Jasmine Hall, Department of Electrical & Electronics Engineering, K L University. Attendance of all the faculty and the students is collected during the lecture.

The event was started by Mr. RBR Prakash by inviting the Guest of Honor **Sri. P D Raju** to the dais to start the lecture. He explained the basic necessity of Communications and how an engineer can strengthen the networking.

He started his lecture by explaining the usage of various communication channels and discussed the competition between them.

He also explained how an electrical engineer is equally important in networking system and employability opportunities.

Ms. K Sarada thanked the Guest of Honour. After the end of the lecture students have thanked the guest for sharing such valuable information and have expressed their queries and got clarified from him .
