

K L University
Department of Electrical & Electronics Engineering
Orientation Lecture Report

Name of the Faculty	Dr. M K S Sastry, Professor
Venue	E 005
Date	7 th July 2015
Time	5.30 pm to 7.30pm
Topic	Research & Innovation in Electrical Engineering

About Dr. M K S Sastry

Dr. Sastry obtained the B Tech (Electrical and Electronics Engineering) from JNTU, Kakinada (1990), M Tech (Power Systems Engineering) and Ph.D from NIT Warangal in 1996 and 2002 respectively.

Dr. Sastry joined UWI in 2004 specifically as a Program Coordinator for Bachelor of Technology Programs (Electrical and Mechanical Engineering) offered jointly with the University of Trinidad & Tobago (UTT). He successfully managed the B Tech programs/staff and secured international accreditation for the B Tech Programs from the IET, UK in 2008. He took up the responsibility as Coordinator for the Graduate Program in 2010. He currently teaches Software Engineering (undergraduate), Database Systems (postgraduate) and Research Methods (postgraduate).

His previous employments include: KITS Huzurabad (Professor & Head of the Dept), GECE-Hyderabad (Asst Gen Manger), NIT-Warangal (Lecturer). He holds a visiting faculty position with ESIGELEC, Rouen, France. He serves IEEE/ABET as a Program Evaluator (PEV) for accrediting Engineering Technology Programs and as a co-evaluator with the UWI Quality Assurance Unit.

His research interests are in the extended areas of Soft computing, Computer Applications in Power and Engineering Education
