**EVENT DESCRIPTION:**

‘Staff Colloquium’ is an activity organized by Dept. of E.E.E of K L University on 19-09-2015 from 03.00 P.M to 04:30 P.M. The Staff Colloquium is given Mr. P. Srinivasa Varma, Assoc. Prof. in EEE Dept., KL University. The topic of the Staff Colloquium is “**Transmission System Cost Analysis in Deregulated Power Systems**”. In order to contribute to the Department mission, the Staff Colloquium is organized in our campus premises to bring awareness among the faculty and M. Tech. students on Pricing of Transmission Services.

**SESSION ACTIVITIES:**

The Department has made the necessary arrangements for the Staff Colloquium activity in the lecture room (E005) for commencement of the event in scheduled time. All the faculty members are asked to move to lecture room before 03:00 PM and the attendance of the faculty is collected in the lecture room.

Mr. P Srinivasa Varma has started the lecture with the introduction to Deregulated Power System and importance of pricing the transmission services. He also explained about the transmission pricing using different cost and loss allocation methods that are available in the literature.

The Faculty of EEE have actively participated in this session. The HoD of the EEE department has delivered his valuable message on importance of attending the lectures by such valuable persons and expressed his thankfulness to Mr. P. Srinivasa Varma for delivering his valuable lecture to the faculty of EEE department, KLU. After the end of the lecture faculty have thanked him for sharing such valuable information and have expressed their doubts and got clarification from him.
