## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Dt. 25-2-2017

SAHELI, KLU Girls' Student Forum of Department of Electrical and Electronics Engineering, conducted a meeting to III year girl students of the department to provide career guidance to III year students.

Ms.G.Divya Sri (14006046), IV year, got placement in CAPGEMINI interacted with III year girl students regarding campus placements and preparation for competitive exams. She has explained about the way to attempt campus placement exams, facing the interviews. She also told some situations faced by her and by her friends in TR and HR interviews and some general questions posed by the interviewer. She asked the III year students to attempt the aptitude tests conducted by our University. III year students felt very happy for conducting the interaction and many of the students clarified their doubts.
