IEEE DAY

IEEE DAY Celebrations 2K17

DATE: 02nd November 2017

VENUE: JASAMINE HALL, C- BLOCK, K L University

INTRODUCTION:

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community to innovate for a better tomorrow through its more than 420,000 members in over 160 countries, and its highly cited publications, conferences, technology standards, and professional and educational activities. IEEE is the trusted "voice" for engineering, computing, and technology information around the globe.

Dr. Dr. LSS. Reddy, Vice Chancellor of K L University and a Senior member of IEEE gave a brief information about IEEE, IEEE's organization and leadership. He told about the structure of IEEE and it's leadership.

He gave a speech about IEEE's papers. He said how important it is to publish the results of your work. It is not just about career advancement or getting recognition. Publication is a critical step in the scientific process. Your discoveries will foster innovation and help advance technology for public good.

Events: 1.) Innovative ideas presentation (This can include start up ideas) 2.) Picture perception.

INNOVATIVE IDEA:

These Innovative Idea s Are Beyond Awesome. Innovation is when someone takes an idea that already exists and creates a different version. This can be anything from complex machinery to simple everyday objects. This list of innovative ideas stand out to us as they help improve everyday life.

<u>PICTURE PERCEPTION:</u> Picture perception and discussion test is one of the two tests conducted in stage one testing of SSB interview, the another one is officer intelligence test. Officer intelligence test consist of written test in verbal and non-verbal questions which is very easy and do not count much for screening, but PPDT plays an important role in screening

This would help freshers who certainly miss or get confuse during PPDT story writing, narration and group discussion.

PPDT stands for picture perception and discussion test, as the name suggests, you need to write a story on the picture shown, narrate it and then discuss among group members to make a common story.

Later the participation certificates of the competitions that were held were distributed.
