

**Café**

The Central Library works between 0700 hrs and 2100 hrs on working days and during 0900 hrs and 1600 hrs on holidays. After serious reading, serious readers need a break to skip monotony of reading. A few minutes break would make serious readers to pursue reading with enhanced vigour and concentration. To facilitate this, a Cafe is planned in the Second Floor of the Library for supplying Tea, Coffee, Cold Drinks, and Snacks.
