IUCEE WEBINARS

Date: 01-12-2016

Report on webinar attended by faculty/students in the month of December 2016

Title: Virtual Academy: Using Collaborative and Team Based Learning in U.S. Colleges:

Improving Student Learning and Engagement

Date & venue: Thu, Dec 1, 2016 9:45 AM - 10:45 AM IST, Room No-M102

Participants: Faculty

Resource person: Dr. Mrinal Sinha,
Assistant Professor
California State University,
Monterey Bay

Webinar link: <https://attendeegotowebinar.com/register/8732947348583363586>

Description:

This presentation discussed about collaborative and team based learning as utilized in U.S. based colleges. The discussion is focused on the "nuts and bolts" of how to implement this pedagogical approach in the classroom as well as positive consequences for student learning and engagement. Examples were also provided illustrating some of the ways in which this approach has been utilized in the context of "assets based teaching."
