Name: _____

What Do You Know? A Census Quiz

LEVEL: 9-12
STUDENT Worksheet
12

PART I: Multiple Choice

Write the letter of the correct answer to each question on the blank line.

1) _____ What document requires that a census be taken every 10 years?
a. the Articles of Confederation
b. the Constitution
c. the Declaration of Independence
d. the Federalist Papers

2) _____ In that document, what purpose was given for taking a census?
a. to keep track of the changing nature of the population
b. to report on the state of the union
c. to determine how many representatives each state would get
d. to decide how much government funding states would receive

3) _____ Why are partner groups important for a successful census?
a. People tend to listen to and trust members of their own communities.
b. Partner groups are the only way people can learn about the census.
c. People tend to do what government agencies tell them to do.
d. Partner groups tell people which census questions it's better to ignore.

4) _____ Why is apportionment important?
a. It determines how many representatives and electors each state gets.
b. It determines how many senators and representatives each state gets.
c. It determines how many people in each state are permitted to vote.
d. It determines how many votes candidates need to win a seat in the Senate.

5) _____ Which of the following is an example of what a cartogram can show?
a. the exact number of people living in Wyoming
b. the number of people living in Wyoming relative to the number of people living in New York
c. the change in population in Oklahoma between 1920 and 1940
d. the size of the state of Connecticut relative to the size of the state of California

PART II: Short Answer

Use the space provided on the back of this sheet to answer each of the following questions.

1) Explain what it means to say that every census has been an opportunity for national self-reflection. Use a historical example as evidence.

2) What are three reasons you would give to explain to a friend why it's important to complete the census questionnaire?
