A Report on Workshop on Using of Eco-Friendly Ganesha

Conducted on 21-08-2020

(State Level Virtual Awareness Program)

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Engineering & Non-Engineering National Service Scheme (NSS) Volunteers participated programme live streaming in **“State Level Virtual Awareness Workshop on Using of Eco-Friendly Ganesha”** on **21st August, 2020**.

NSS Cell of BEST Innovation University – Anantapur Andhra Pradesh, in association with Telangana State Biodiversity Board, Telangana State Pollution Control Board and Lee Shreyus foundation has organized **“State Level Virtual Awareness Workshop on Using of Eco Friendly Ganesha”** on **21st August, 2020** from **10:30 am – 03:00 pm**.

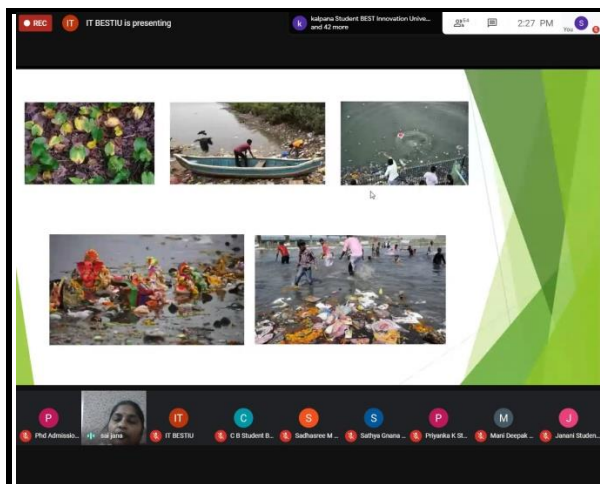

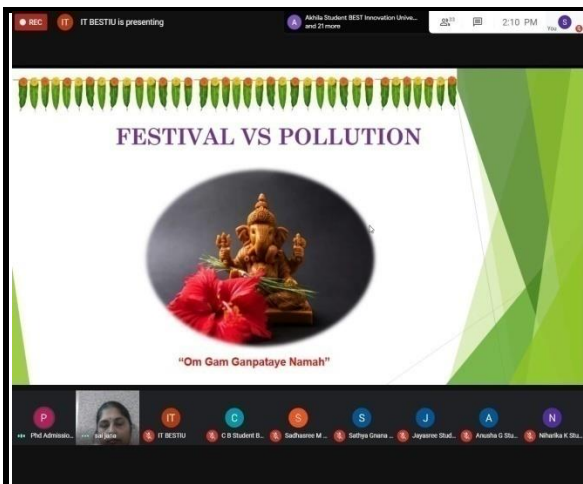

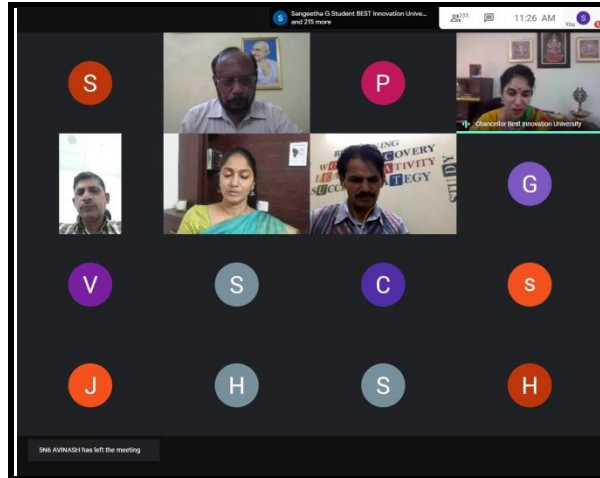

India is land of Festivals, we welcome the seasons, harvest, rain etc... We worship animals and plants. If we carefully see right from local festivals to national wide big festivals. They are about conservation of natural resources. If we understand every festival it is evident that our culture actually is protecting nature and the festivals suggest us to live in harmony with nature i.s we are living sustainable life.

Date of the Event: 21-08-2020

Name of the Event: Workshop on Using of Eco-Friendly Ganesha

Venue: Online

No. of Participants: Students- 72, Faculty- 14

Various surveys indicate that there is a significant increase in water, air and noise pollutions during and just after the festivals. But any celebrations should not harm, hurt or disturb anyone right from aged to children and also to our precious ecology. It is our responsibility to make use of eco-friendly festivals in a larger way so that there will be a pollution free atmosphere everywhere and we can celebrate it without any harm to our environment.

We can make Eco Friendly Ganesh Idols with “Mud/Clay” or “Turmeric” or “Flour”. Be The Change Go For Green (Clay) Ganesh” Be Eco-Friendly...Use Eco-Friendly...
