All Worlds is now in pandemic situation due to the spread of deadly virus covid-19. Due to this many of us around the world are stopped our regular activities and are saving our lives by staying in home. So to celebrate the 51st NSS Day, we the KLEF NSS team came forward to conduct few events through online and boost up the

confidence in our volunteers. We also invited students across the country to be part of it. Many students from various colleges and universities participated.

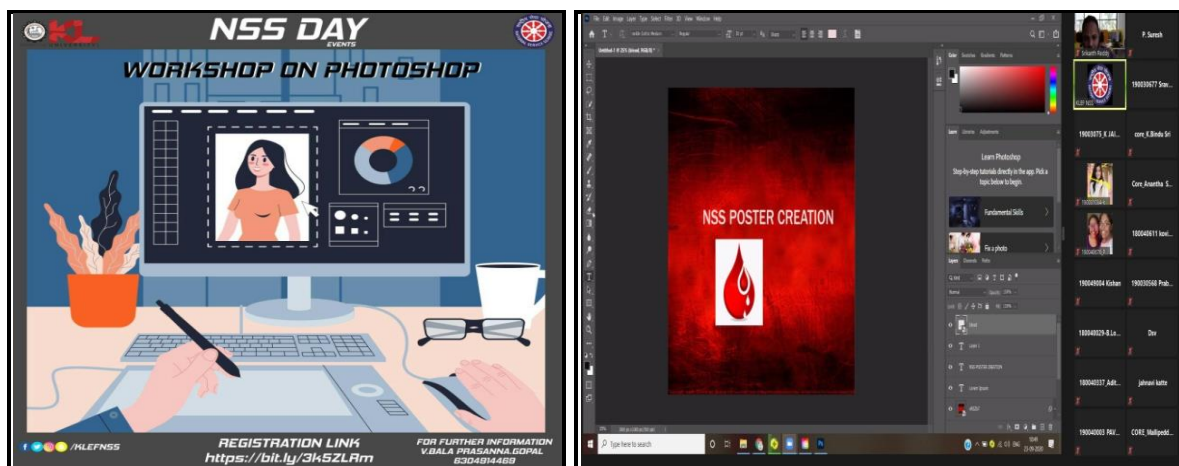

We created some posters regarding the event and circulated them in social media. The response we got from the students all over the nation is tremendous. We got nearly 1500 responses and all attended and made the event a grand success. So we planned well and created groups for every event separately and scheduled in a way that anyone can participate in as many events they like. We used the WEBEX and ZOOM platforms to conduct the events.
