Teacher's day is celebrated in India in order to mark the birth anniversary of Dr. Sarvepalli Radha krishnan who was a staunch believer of education and was a well-known diplomat, scholar, President of India and above all a Teacher. When Dr. Radha krishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday as Teachers day. In reply, Dr. Radha krishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then onwards the day is celebrated as Teacher's Day in India.

As NSS we organized Quiz & Essay Writing Competitions on the occasion of Teachers Day. Many students got registered and participated.
