A Report on NSS Day Celebrations **Conducted on 28, 29-09-2021 at KLEF**

KL Deemed to be University (KoneruLakshmaiah Education Foundation) National Service Scheme (NSS) has conducted “NSS day Celebrations” through many events on **28, 29-09-2021** at **KLEF Campus**.

KLEF NSS team has decided to conduct different events as a part of celebrations of NSS day in the University. In order to this, The Team KLEF NSS has taken all the necessary permission that are required to run these events successful. And the NSS Advisory team has made all the necessary arrangements which ever necessary for the event.

In addition to this, A dedicated team of 11 members has been made has been allotted to manage all the events. we have conducted many events such that the every student get participate in that event. The event managing team has decided to conduct 21 different events and they decided to divide them to separate batches and allotted some events to each batch.

The events that we have conducted are:

Elocution:

Elocution is a speech competition where students are allotted with a topic to talk about. Usually, all participants talk about the same topic and the one who gave good speech is selected as a winner of elocution competition.

Debate:

Debate is a process that involves formal discourse on a particular topic, often including a moderator and audience. In a debate, arguments are put forward for often opposing viewpoints.

Drawing:

The purpose of the competition is to increase understanding, knowledge and interest on the drawing as an art form among the general public and students.

MovieBuzz:

In this event, A music will be played between two teams and the team has to identify the name of the movie.

Group Discussion:

As the name suggests, it is a discussion on a given topic where members arrive at a conclusion within the group in the specified time limit. It won't be fruitful if members are passive; they must be active both in listening and sharing.

Describe An Image:

A detailed explanation of an image that provides textual access to visual content; most often used for digital graphics online and in digital files; can be used as alt text in coding to provide access to more complete information.

Ballon cup battle:

It has simple rules — players need to hit the balloon and prevent it from touching the ground. The opponent scores a point if the player drops the balloon

Tug of war:

Tug-of-war, athletic contest between two teams at opposite ends of a rope, each team trying to drag the other across a centre line. ... The game ends when one team pulls the other so that the tape on the losers' side crosses the ground mark on the winners' side. The contest is decided by the best two out of three pulls

Digital chess:

Online chess is chess that is played over the internet, allowing players to play against each other in real time. This is done through the use of Internet chess servers, which pair up individual players based on their rating using an Elo or similar rating system.

Tressure hunt:

Treasure hunt, the idea of hunting for hidden treasures has always been exciting and adventurous. In treasure hunt, participants work in small teams to find the treasure with the help of given clues. The team who decodes the clue and finds the treasure first will win the game

Essay writing:

Essay writing is not just a method of academic assessment, but also an art. This is an art of reporting and describing about a topic. It not only requires storytelling skills, but also the presentation of the story.

Mock parliament:

A Model Parliament (also referred to as a Mock Parliament) is a simulation of the parliamentary proceedings of a legislature or other deliberative assembly, often based upon the Westminster Parliamentary system.

4 Squares:

Four Square is a ball game played among four players on a square court divided into quadrants. The object is to eliminate other players to achieve the highest rank on the court.

Iconic friends:

Competition between friends can be healthy because you both already have a foundation of respect for each other

Jam:

A game jam is a contest where participants try to make a video game from scratch. Depending on the format, participants might work independently, or in teams.

Photography:

Participating in photography contests is a great way for photographers to get recognition and benchmark their work against peers from around the world. ... There is a wide range of photography contests that are sure to inspire photographers around the world, regardless of age or skill level.

Wired bridge:

Bridge is a team trick taking game played with a standard 52 playing card deck. The objective is **to win as many games to 100 as possible**. In Bridge, Aces are high and 2's low. The rank of suits from highest to lowest is: No Trump, Spades, Hearts, Diamonds, and Club.

Drama and skits:

The ability to shape up yourself into another character is the basic of Character Dramatization. Such activities challenges children to develop a more sensitive and in depth understanding of all the characters they play and also trains them well in all spheres of acting.

Autocad:

AutoCAD is software for 2D and 3D computer-aided design. Developed by Autodesk, AutoCAD is a commercial software application first released in 1992. It has been available since 1982 as a desktop application and since 2010 as a mobile, web, and cloud-based app which has been marketed as AutoCAD 360.
