KL Deemed to be University (Koneru Lakshmaiah Education Foundation) **Computer Science & Engineering (CSE), National Service Scheme (NSS)** has conducted “**Awareness on Post Pandemic of Covid**” on **21-03-2022** at **Chirravuru** village. COVID-19 spread is emotionally challenging for many people, changing day-to-day life in unprecedented ways. All sections of society – including employers and employees – should play a role to protect themselves and each other and help prevent further spread of the disease. WHO is providing advice and updated information on COVID-19, and on how employers can protect their employees, what measures they should take in the workplace and other related factors. So, as a responsibility today our Volunteers went door by door and gave awareness to people about past pandemic and how the spread is increasing day by day.

This event was presided by Dr.Ch.Hanumanth Rao, Dean, Student Affairs, Dr.K.R.S. Prasad, Advisor, Student Affairs &Dr.Habhibulla Khan, Advisor, Student Affairs, Dr.K.Ravindranath, Associate Dean, Extension Activities. This program was led by Mr.P.Srikanth Reddy, Programme Coordinator, KLEF NSS Cell, Dr. Yellamma Program officer, Mr.P.Suresh Coordinator, CEA. We would like to thank all the NSS volunteers for their valuable contribution in successful implementation of the program and to the Village officials of Chirravuru Village for encouraging us to do this event successfully.
