Summary of the Event:

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. Marked annually on March 8th, International Women's Day (IWD) is one of the most important days of the year. The theme for IWD 2021 is 'Choose to Challenge'. A challenged world is an alert world and from challenge comes change.
