Plantation Drive

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Department of Mechanical Engineering National Service Scheme (NSS) Unit-03 has conducted Plantation drive on 24-07-2019 in Ravedrapadu village. Where Plants include Guava, Lemon and Pomegranate plants are distributed to villagers. Also awareness on cleanly is explained to the villagers by going to door to door. Overall 170 Plants are distributed and some plants are planted near the sides of the roads along with village plantation done.

Tree Plantation

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Electronics and Communication Engineering (ECE) National Service Scheme (NSS) has conducted Tree Plantation on 25th July 2019 in Prathuru Village. 'If you plant a tree, you plant a life', following this quotation the volunteers representing NSS Unit-08 and 02 headed to Prathuru, where they were split into two teams, one for plantations and the others went for the survey to know the problems that have been facing by the villagers . They divided work among them and splits into groups of each 5 to 4 members. Many saplings were planted by the students as trees are considered to be green gold.

The student also spent quality time with the villagers there and interacted with them. It was a time to cherish as the volunteers interacted and also known about the problems of villagers. Every volunteer actively took part in leading the event to a grand success.

Sapling Plantation and Review Work Location

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Department of Bio Technology Unit- 06 National Service Scheme (NSS) has conducted sapling of plants on 30th July 2019 in Gundimeda Village. Volunteers went to Gundimeda for survey and to plant some saplings. Ten saplings were planted in the school and by the request of the teacher in the school Swatch Bharat also was done. The teacher requested to paint the school and Green boards. Also dust bins and water dispenser was requested. We also checked the previously planted saplings and also took the feedback about the previous events. They also asked for more saplings. A total of 28 students (2nd and 3rd years) attended the camp. Meeting with the village secretary (Prasannarao) was arranged and the list of tree plantation venues was collected.

Child Empowerment

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Department of Electrical and Electronics Engineering Unit- 04 National Service Scheme (NSS) has conducted Child Empowerment on 06-08-2019 in Chiguru orphanage home, Venkatapalem. As a part of NSS Activity through the EEE department for the month of august the first initiated activity. It is situated at the bank of krishna river 4km from the barrage with a pleasant environment. The children residential home has 40 + Children of age from 5 to 10 years, most of them were abandoned from parents and relatives. The CHIGURU home at most interest to nurture the preliminary skills to make them educational ready.

On 6th Aug 2019, EEE department students and staff reached the campus by 11am over a bus took plant and stationary needs for the children home, students collected their saved amount for donation of stationary like books 1 to 5th standard, drawing books, pencils chalk pieces etc. The home warden and Miss Kimari garu felt happy to see our students. Our student volunteers interacted with teachers and children spend some valuable time. Home care taker expressed their interest to have us as mentor for activity based works. We felt warmed to see the happiness in children faces. We expressed our willingness to plan activities for student knowledge improvement.

Tree Plantation

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Department of Electronics and Communication Engineering (ECE) Unit- 08 and 02 National Service Scheme (NSS) has conducted "If a Tree Dies, Plant another One in Its Place", Read the Slogan of the KLEF NSS Unit-8 and KLEF NSS Unit- 2 and so did their actions. Every volunteer has the innate desire to contribute in as many ways as possible for the betterment of nature. With lack of sanitation and decreasing number of trees and with pollution taking over, the NSS crusaders contributed in the ways that they could with both the units visiting Prathuru village together, where they were divided into two teams.

One of the teams planted saplings whereas the other teams were divided as a group of four, each group creating awareness about the importance of sanitation in the village. They went around to each house, explained the need for sanitation, talked about the prevailing drainage problems in the village and also spoke about the preventive measures from keeping the sewers blocked.

Around 20 saplings were planted which included various varieties, with each volunteer contributing in planting it. With the place echoing serenity, it was a jubilant moment and a wonderful experience for each participant.

Distribution of Plants and Awareness on Sanitation

NSS Volunteers of Dept of CSE of K L E F has Conducted “**Plantation and awareness on sanitation**” on **09th August, 2019** in one of the village adopted by the K L University i.e. Pedapalem as a part of this NSS Volunteers from Unit-1, Program Officer Mr.N.Naveen Narayan are involved. On the day of the event, all the 80 NSS volunteers along with program officer started from the college at 10.30 am in bus and reached the Pedapalem by 11.00 am. After reaching the villages, volunteers met the Panchayat member and identified the places to do Plantation activity. Two to Three places are identified for the event.

No. of Volunteers Participated: 80

No. of faculty Participated: 06

Some of our Volunteers had visited every house and distributed saplings and made them aware about importance of trees and adverse effect of deforestation. Most of the villagers showed a great interest towards planting trees and, they gave an assurance that they will take care of them. And few volunteers planted saplings and geo-tagged them using the kobo-collect app.

Along with the plantation we gave awareness regarding sanitation problem. As rainy season is a dreaded season for the health hazards, such as infections and diseases that it accompanies. Diseases such as malaria, respiratory tract infections, pneumonia, polio, typhoid and common cold are common during monsoons. We gave few precautions on how to keep your surroundings clean and hygiene.

Rain Water Harvesting Pits

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Electronics and Communication Engineering (ECE) National Service Scheme (NSS) Unit- 02 & Unit- 08 has Conducted “Rainwater Harvesting Pits” on 22nd September 2019 in Prathuru village. Rainwater harvesting is a technique of collection and storage of rainwater into natural reservoirs. And we selected harvesting pits as reservoirs. Students actively take part in making pits. Volunteers divided or among them and divided into teams. A group of members are making pits and at the same time another group planted some trees in the surroundings.

Volunteers took the help of villagers in making pits and interacted with them and explained them about harvesting pits and advantages of rainwater harvesting. Every one actively took part in the event and made it a grand success.

Swachh Bharat and Awareness on Tobacco Consumption

NSS Volunteers of Dept of CSE of K L E F has Conducted “Swachh Bharat and Awareness on Tobacco Consumption” on 23rd August, 2019 in one of the village adopted by the KL University i.e. Pedapalem as a part of this NSS Volunteers from Unit-1, Program Officer Mr. N. Naveen are involved. On the day of the event, all the 86 NSS volunteers along with program officer started from the college at 10.00 am in bus and reached the Pedapalem by 10.30 am.

No. of Volunteers Participated: 86

No. of faculty Participated: 07

Summary of the Event

After reaching the respective village, all the volunteers are again divided into groups by the faculty in-charges to make the task easier and so as to ensure that the volunteers covered most of the village premises.

All the volunteers actively took part in this. Some volunteers eagerly cleaned surroundings, some did swachh survekshan and some of them identified the problems regarding cleanliness in the village. All the volunteers divide the tasks among themselves without any hesitation and every one lead their way towards the success of the event. Also, Mud oil team went to different places of the village and sprayed the mud oil in the drainages of the village so that it will decrease the mosquitoes.

Along with this we also had done awareness regarding consumption of Tobacco. The main motive of this is to move elder and teenage tobacco users toward wanting to quit using cigarettes. Some volunteers interacted with the villagers and informed about the harmful effects of consumption of tobacco. Some of the volunteers also spread door to door awareness about the “Tobacco Consumption” by holding placards. Placards create a great impact than words.

GIS Mapping, Dengue Awareness,

Road Rehabilitation, Plantation and Bala Swecha

NSS Volunteers of Dept of CSE of K L E F has Conducted “GIS Mapping, Dengue Awareness, Road Rehabilitation, Plantation And Bala Swecha” on 6th September 2019 in one of the villages adopted by the K L University i.e. Peddapalem as a part of this NSS Volunteers from Unit-1, Program Officer Mr. N. Naveen, Mr. N. Rajesh Chandan are involved. On the day of the event, all the 114 NSS volunteers along with the program officers started from the college at 10.00 am on the bus and reached the Peddapalem by 10.30 am. After reaching the respective village, all the volunteers are again divided into groups by the faculty in-charges to make the task easier and so as to ensure that the volunteers covered most of the village premises.

1. Dengue Awareness

All the volunteers actively took part in this. Some of them went to people and interacting with them and making them aware of dengue and their effects. All the volunteers divide the tasks among themselves without any hesitation and everyone lead their way towards the success of the event.

No. of Volunteers Participated: 114

No. of faculty participated: 12

2. Road Rehabilitation

Also, the road rehabilitation team went to different places of the village and sprayed the mud oil in the drainages of the village so that it will decrease the mosquitoes.

3. Plantation

After reaching the villages, volunteers met the panchayat member and identified the places to do Plantation activity. Two to Three places are identified for the event. Some of our Volunteers had visited every house and distributed saplings and made them aware of importance of trees and adverse effect of deforestation. Most of the villagers showed a great interest in planting trees and, they gave an assurance that they will take care of them.

4. GIS Mapping:

We have mapped the main centres and places like temples, ponds, schools, Anganwadi centres, water plants, ration depots, milk booths, churches and shops of the village. All the locations were uploaded in street maps. For this our students used MAPS.ME app. Due to this program, the information about the important places of that village became available. So those who visit the place for the first time can easily identify the addresses in the village. This information is also helpful for surveys etc...

5. Bala Swecha:

Volunteers went to school and given a presentation regarding computer usage and its importance. They interacted with students and identified their problems in several aspects.

Village Survey

We the members of NSS team from “BCA” has conducted camp in ‘Srungarapuram’ and collected data from the village. What are the issues they are facing in the village and what are the necessities needed to be implemented in the village.

- We have collected the data around 100-120 houses in the village, their approach towards us is very good and warm welcoming.
- We have created a Google form to collect the information. Our team has divided into four groups and went to each and every house in the village and our respected Unit-09 Programme officer Mr.L.Jaga Jeevan rao spoke to village president and asked details of the village, camp went very good each and every oneparticipated very actively in camp.

No. of Volunteers Participated: 53

No. of faculty Participated: 05

The reason to conduct this camp is to know how many people live there and what are the problems they are facing around them, what are the things they need there and lots of problems.

About our group

Type of collecting data: - Google forms

After collecting data and analyzing the data some of the major issues sorted out are

1. Medical emergencies
2. Road
3. Drainage

These are the common issues that were faced by them every day. Our team of NSS has given hope to them. That we are there to solve your village problems

A small interactive session with students of ZP High school to not to use plastic and keep their premises clean and hygiene.

In Recent Times plastic usage has been increasing abruptly, so we decided to create awareness on it. Plastic bags are cheap and light weight so people are interested to use these plastic bags rather than cloth bags which are costlier than plastic.

Removing Plastic Materials

So, we decided to create awareness that environment is much more valuable than anything else. As a part of Swacch Bharat we collected all the plastic materials that are thrown across the roads.

All the volunteers were divided into groups by the program officer with a faculty along with them and went in four directions of Chirravuru, to ensure that the volunteers covered most of the village premises.

Navasakam Data Entry Program

NSS Volunteers of Dept of CSE of K L E F has Attended “**Navasakam Data Entry Program**” on 04th and 05th December, 2019 at Mangalagiri Municipal Office.

On the two days Volunteers went to the data entry program which was part of AP Navasakam Scheme started by the Andhra Pradesh government which is a revolutionary step for implementation of government schemes. In this scheme every district administration will conduct a door - to – door survey and gathers the necessary information regarding welfare schemes like “Amma Vodi, Pension, Kapu Nestham, Fee reimbursement etc...

Later the data gathered from the survey need to be updated in the Navasakam.ap.gov.in website. As it needs many people to do the work the Mangalagiri Municipal Commissioner given a call to our college stating need of volunteers for data entry. So we have been part of it.

So our volunteers joined the program for two days and contributed their part for the welfare of the people who are financially backward. They will get benefited with welfare schemes of government.

Awareness on Constitutional Rights

KL Deemed to be University NSS team of EEE department has conducted two events at ZPHS Vaddeswaram village for the 8th and 9th standard students. On 28th January 2020 students of EEE department and 1 faculty (EEE) has attended the event. Team has started at 10 am, after reaching the school, we consulted the Head master (HM) for theme sharing, he ordered the respective school staff to prepare the venue and assemble the students.

The attended students are from 8th and 9th standard; around 100 students participated in the event. Once the mass gathered, we shared our view regarding the event for creating the platform. Students played a SKIT that has few parts involved, each emphasizes the themes of Constitutional Rights. Once the skit play is over, we students and faculty explained the RIGHT given by the Constitution of INDIA i.e. Right to Freedom, Speech, against exploitation, religious, education. Student were actively participated by involving in questionnaire, we encouraged the students who responded by appreciating with a small token of gift.

As a part of the Day program, 4th year students of EEE lead the "Energy conservation Ideas" event. They started the discussion with the generation and consumption aspect of electrical energy and saving significance. We shared the pamphlet of Energy Saving Tips to students to read and act accordingly.

NSS Unit – 3 volunteers of Department of Mechanical Engineering(ME) and Civil Engineering(CE) of Koneru Lakshmaiah Educational Foundation (K L E F) has Conducted “Special Camp” for four days from 29th January to 4th February, 2020 in one of the village adopted by the K L E F i.e. Revendrapadu. This special camp was organized with the help of panchayat raj department of Revendrapadu. As a part of this camp everyday volunteers attended with an intention to do what they can do for the welfare of villagers.

Inauguration -29th January 2020 Gathering addressed by faculty and Panchayat secretary.

Few words by Mr. P. Srikanth Reddy, Programme Coordinator, KLEF NSS: An introduction on National Service Scheme was given to the villagers and its history. Awareness about NSS and its importance in the village was clearly explained. Programme officer, KLEF NSS Mr.V.Nagaraju explained about the activity forums done by NSS unit-3 from KLEF such as blood donation, plantations, waste management, health awareness and medical camps. He also demonstrated various activities that will be carried by volunteers of NSS unit-3 for the following 7 days i.e., (29/01/2020 to 4/02/2020) and he also insisted the villagers to improve their standards by having proper awareness. All volunteers were allotted with their works.

Day- 02 (30-01-2020)

1. Plantation
2. Swachh Bharat
3. Awareness on Health
4. Surveying
5. Arranging dustbins near shops in the village

Plantation:-

Swachh Bharat:-

Volunteers cleaned the village roads, removed dust heaps and they attempted to create awareness on cleanliness and hygiene volunteers participated actively and encouraged villagers to keep their streets neatly so that there will be less mosquitoes and good surroundings as a result the villagers are not affected with infectious diseases. This programme aimed to aware the people on cleanliness, Health, Hygiene in the village. NSS volunteers appreciated the people who use pits and maintain cleanliness in their homes and streets.

No. of Volunteers Participated: 50

No. of faculty Participated: 26

Roads were cleaned by unit-3 volunteers and the importance of swatch Bharath and its benefits were explained to the people

Kerosene Layering was done on the contaminated water in order to avoid the mosquito Growth and closed drainages were cleaned and Bleach powder is sprinkled in order to avoid bad smell.

DAY-3 (31-01-2020)

Awareness on health checkups was given and issues that were being faced by farmers were collected and they were acknowledged with the available government schemes. Various issues were collected from the villagers and a proper solution was given to them. So that they can avoid some which they are making without proper knowledge

Dustbins Distribution:-

Dustbins were distributed to the shop vendors as we came to know that most of the plastic wrappers are coming from there

2. Revendrapadu to vadlamudi Bridge side wall Repair
3. Painting of freedom fighters statues

Placing radium-reflector (radium sticker) to make night vision clear for all driver s to reduce night accidents

Games organized by the team of NSS

DAY-4 (01-02-2020)

Blood Grouping:-

- During surveying in the village we came to know that many people were not aware of their blood groups
- The grouping is very important when it comes to having a blood transfusion. If blood is given to a patient that has a blood type that is incompatible with the blood type of the blood that the patient receives, it can cause intravenous clumping in the patient's blood which can be fatal.
- We formed into three teams with the help of four B.Pharmacy students we conducted blood grouping tests for 200 hundred people in day-2
- We also explained why it's important to know about their blood group

Drawing competition held among the primary school students

DAY-5(02-02-2020)

Bridge Side wall Repair:-

- The side wall of the bridge that connects Revendrapadu and state highway was damaged there is a chance for people to fall into the canal.
- Civil engineering students formed into a team and constructed the side wall of the bridge

BEFORE: -

AFTER:-

Place: K L E F

World Cancer Day

NSS Volunteers of K L E F has Conducted “**Cancer Logo Formation**” on the occasion of “**WORLD CANCER DAY**” which is on 04th February 2020 in K L University. On the day of the event, 55 NSS volunteers from all units participated in the event

This year is the 20th anniversary of World Cancer Day. According to WHO, 17 people die every minute from cancer in the world. Every year, World Cancer Day is observed with a particular theme. The day is organized by the Union for International Cancer Control (UICC). WHO has designed a guide to cancer early diagnosis? No doubt, to detect cancer early will effectively reduce the mortality associated with cancer.

Every year World Cancer Day is celebrated on 4 February. The purpose of the UICC is to support the World Cancer Declaration written in 2008. The primary purpose of celebrating this day is to reduce the number of cancer patients by 2020 and to reduce the death rate causing due to it.

So to create awareness on it we the team of NSS planned to form a logo using bikes.

World Cancer Day 2019-2021 Theme - *I Am and I Will*

No. of Volunteers Participated: 50

No. of faculty Participated: 26

Corona Pandemic Door To Door Awareness

At present the most dangerous news is all about corona virus, so we planned to give awareness regarding corona virus to the villagers so that they will not get afraid about it. The aim of this is to provide the base knowledge regarding corona virus so that preventive measures can be taken up effectively and timely.

Pasting of Radium Stickers

Some Volunteer and NSS PO stayed during the night time and pasted some radium hoarding for the safety of the villagers during the road traveling at the night.

Day -2 (06-03-2020)

Swachh Bharat

Afternoon of the first day volunteers divided into sub groups and went into the streets, lanes and bylanes of the village. Few groups organized a cleanliness drive Swachh Bharat by selecting a street nearby the Panchayat office. Volunteers cleaned the village roads, removed dust heaps.

Health and Hygiene Awareness

Volunteers attempted to create awareness on cleanliness and hygiene. Volunteers participated actively and encouraged villagers to keep their streets neatly so that there will be less mosquitoes and good surroundings as a result the villagers are not affected with infectious diseases. This programme aimed to educate the people on cleanliness, Health and Hygiene in the village. NSS volunteers appreciated the people who use pits and maintain cleanliness in their homes and streets.

Day- 3, 4, 5 (07-09/03/2020)

Construction of the Wall

The main motto of the camp is to build classroom in the Government School for the children who are studying sitting in the sun. So team NSS with many helping hands started the work of construction. After the day- progress in construction of the classrooms, volunteers started with filtering the sand also helped in carrying the cement for construction of walls for classroom we finally completed the construction

Construction of Classrooms

After the day-1 progress in construction of the wall, volunteers started with picking up bricks and leveling up the floor with sand, so that a basement will be formed, and also the volunteers helped in carrying the cement, sand and mix up them in a correct ratio for the wall.

Painting Logo, Black Board and Walls

We had painted the logo of NSS on the classroom wall volunteers actively participated in painting the logo with their bare hands

Inauguration of Classrooms

An inauguration program held at ZPH School of village. The construction classrooms were inaugurated with a ribbon cutting by Mr. Hari Kiran Vege.

Day – 6 (10th March 2020)

Career Guidance

We conducted a career guidance program for 1, as a matter of fact; career guidance is a very important aspect of your life. In fact, it can make or break your career. And career guidance is very essential for success. If you want to see the children's career moving in the right direction then career guidance is of at most importance. Everyone wants to be successful but they do not get the right guidance to make the right decision at the right time.

If they have a pre-planned guidance for your career then it can make a lot of difference. Today, awareness about career guidance is still very low among the younger generation. The culture of going to a counselor is so important in our country. So we decided to give the right guidance to the upcoming citizen. In the ZPH School of our adopted village we conducted the career guidance programme. To choose the right path we need right guidance also. The best part of career guidance is that it is very objective as well as strategic. We also conducted some quizzes among the students to boost up their talent.

Awareness on First Aid

We all know that accidents may happen anytime, anywhere to our colleagues or loved ones. It may be simple cuts, fractures, wounds while playing sports, choking, fainting or heart attack. The main aim of this awareness program is to let all know about first aid treatment that can be given to someone who suddenly fell ill or injured.

We had given the basic first aid knowledge and skills to the children.

Day – 7 (11th March 2020)

Children Craft

volunteers with children made some DIY craft works to boost up their hidden talents in co curricular activities and those little schooling sprouts has an very great imagination and worked to get beautiful crafts from scratch

Sports Competition

Volunteers conducted some games and sports such as volleyball, running race, lemon spoon, Students actively participated in it.

MEDICAL CAMP

We conducted medical camp in villagers with the help of service minded private doctors. Many useful checkups like blood test, diabetes and blood pressure checkup, eye checkup programmes have been conducted in the village. Villagers actively participated in it.

Awareness on Immunization

NSS (National Service Scheme) Unit – 1 volunteers of Department of Computer Science and Engineering(CSE) of KoneruLakshmaiah Educational Foundation(K L E F) has Conducted “Special Camp” for days from 5th to 11th March, 2020 in one of the village adopted by the K L E F i.e. Pedapalem. This special camp was organized with the help of panchayat raj department of Pedapalem. As a part of this camp everyday volunteers attended with an intention to do what they can do for the welfare of villagers. Regarding immunization we made awareness to each and every villager in Peddapalem. NSS Volunteers distributed 800 Phamplets in Peddapalem village of Duggirala Mandal.

Date: 11-17/03/2020

Venue: Chirravuru

Unit-07 Special Camp

KL Deemed to be University (KoneruLakshmaiah Education Foundation) Department of Computer Science Engineering (CSE) National Service Scheme (NSS) Unit- 07 has Conducted “**Special Camp**” on **11th to 17th March 2020** in one of the village adopted by the K L E F i.e. **Chirravuru**. This special camp was organized with the help of **Chirravuru** Grama Sachivalayam Department of Panchayatraj. As a part of this camp everyday volunteers attended with an intention to do what they can do for the welfare of villagers.

No. of Volunteers Participated: 50

No. of faculty Participated: 22

Day – 1 (11th March 2020)

Inauguration of Camp

The forenoon session of the day began with a procession by volunteers and higher authorities of our college in the campus. Faculty came forward to render their best wishes for the volunteers to make the special camp success. Dean Student affairs Dr. Habibulla Khan started the camp by flying NSS flag. Village authorities and villagers welcomed the team of volunteers into their village and assured us all sorts of co-operation needed in making the special camp a huge success.

Awareness on Corona Virus

At present the most dangerous news is all about corona virus, so we planned to give awareness regarding corona virus to the villagers so that they will not get afraid about it. The aim of this is to provide the base knowledge regarding corona virus so that preventive measures can be taken up effectively and timely. **We urged the people not to believe in unauthenticated and false news spreading by social media.** We organized an awareness walk regarding corona virus and insisted to keep their premises clean and lets all take necessary precautions to avoid it. **We have given information about corona and along with the precautions and symptoms.**

Health and Hygiene

Volunteers attempted to create awareness on cleanliness and hygiene volunteers participated actively and encouraged villagers to keep their streets neatly so that there will be less mosquitoes and good surroundings as a result the villagers are not affected with infectious diseases. This programme aimed to aware the people on cleanliness, Health and Hygiene in the village. NSS volunteers appreciated the people who use pits and maintain cleanliness in their homes and streets.

“Cleanliness Is Next To Godliness”

Day- 2 (12-03-2020)

BetiBachavoBetiPadavo

“Save the Daughter and Educate the Daughter”

This is a campaign of the Government of India that aims to generate awareness and improve the efficiency of welfare services intended for girls in India. The main aim of this program is prevention of gender biased sex selective elimination, ensuring survival and protection of the girl child and also ensuring education and participation of the girl child.

“To Educate Girls Is To Reduce Poverty”

“Educate a Girl and She Will Change the World”

Poshan Abhiyan or National Nutrition Mission (Nnm)

We conducted an awareness programme on nutrition as part of the PoshanAbhiyaan campaign in our village. Along with us Anganwadi workers also participated. The aim of the programme is to improve nutritional outcomes for children, pregnant women and lactating mothers.

World Kidney Day

World Kidney Day aims to raise awareness of the importance of our kidneys to our overall health and to reduce the frequency and impact of kidney disease and its associated health problems worldwide. Awareness about preventive behaviours awareness about risk factors and awareness about how to live with a kidney disease. We do this because we want kidney health for all.

Day – 3 (13th March 2020) Career Guidance for 10th Class Students

We conducted a career guidance program for 10th class students, as a matter of fact; career guidance is a very important aspect of your life. In fact, it can make or break your career. And career guidance is very essential for success. If you want to see your career moving in a right direction then career guidance is of at most importance. Everyone wants to be successful but they do not get the right guidance to make right decision at right time.

If you have a pre-planned guidance for your career then it can make a lot of difference. Today, awareness about career guidance is still very low among younger generation. The culture of going to a counsellor is so important in our country. So we decided to give right guidance to the upcoming citizens. As our adopted village contains only a ZPH school we chosen 10th class students as their entire future is lying in front of them. To choose right path we need right guidance also. The best part of career guidance is that it is very objective as well as strategic.

You could get a clear picture what your goal should be or must be. So we have done a lot of ground work to convey our content to them effectively. We wished all the students to do well in their SSC examinations and score good grade points.

GIS Mapping of Village

We planned an event of GIS mapping. A geographic information system (GIS) is a system designed to capture, store, manipulate, analyze, manage, and present all types of geographical data. The key word to this technology is **Geography** – this means that some portion of the data is spatial. In other words data that is in some way referenced to locations on the earth. We have mapped the main centres and places like temples, ponds, schools, Anganwadi centres, water plants, ration depots, milk booths, churches and shops of the village. All the locations were uploaded in street maps. For this our students used MAPS.ME app. Due to this program the information of the important places of that village became available. So those who visit the place for first time can easily identify the addresses in the village. This information is also helpful for surveys etc...

Day – 4 (14th March 2020)

Grama Sabha Awareness

The Grama Sabha is the grass root level democratic institution in each Village Panchayat. A vibrant Grama Sabha is essential for the effective functioning of Village Panchayats by promoting transparency and accountability in administration, enhancing public participation in the planning and implementation of schemes and in the choice of beneficiaries, and paving the way for social audit. The Government have ordered the conduct of Grama Sabha meetings a minimum of four times a year. So we insisted villagers to make use of it and get their requirements done.

Water Conservation Awareness

Water being a scarce resource and a primary one should not get wasted. Lot of people has shortage of water supply. As a part of this our volunteers have taken an initiative to create awareness in chirravuru village by conducting a door to door campaign and motivated households. Slogans like “Save Water, Save Lives” were given by the volunteers.

Swachh Bharat

Afternoon of the second day About 20 volunteers divided into sub groups and went in to the streets, lanes and by lanes of the village. Few groups organized a cleanliness drive Swachh Bharat by selecting a street nearby the panchayat office. Volunteers cleaned the village roads, removed dust heaps.

Day – 5 (15th March 2020)

Blood Grouping

From 11:00 clock we started the blood group identification program we invited three Bio Technology (BT) NSS Volunteers to do the job. The [grouping](#) is very important when it comes to having a blood transfusion. If blood is given to a patient that has a blood type that is incompatible with the blood type of the blood that the patient receives, it can cause intravenous clumping in the patient's blood which can be fatal. The patient's body can start producing antibodies that attack the antigens on the blood cells in the blood that was given to the patient. We organized blood grouping in the ZPH School for students and we had given an identity card so that they will never forget.

Haemoglobin Test

A hemoglobin test measures the amount of hemoglobin in your blood. Hemoglobin is a protein in your red blood cells that carries oxygen to your body's organs and tissues and transports carbon dioxide from your organs and tissues back to your lungs. If a hemoglobin test reveals that your hemoglobin level is lower than normal, it means you have a low red blood cell count (anemia). Anemia can have many different causes, including vitamin deficiencies, bleeding and chronic diseases.

If a hemoglobin test shows a higher than normal level, there are several potential causes the blood disorder polycythemia vera, living at a high altitude, smoking and dehydration.

Self Defense By NGO (Team V1)

Teamv1 is an NGO of the teens who are united for a social cause. The team works on Sexual Education & Self Defense to the toddlers who are in need. Rape has become the fourth common crime against women in India. Unfortunately most of the victims of Sexual harassment and sexual abuse are the minors. So they are working to preclude the Sexual harassment and enlighten the minds of the toddlers. We organized this programme for girl students from 6th to 10th class.

Prizes Distribution for Academic Toppers from 6th to 10th Class

To encourage the students we planned to give prizes for academic toppers from each class and also who are performing well in sports. Few students participated in state level competitions and performed well. Self defense and Gender discrimination awareness, Prizes Distribution to Academic Toppers

Day – 6 (16th March 2020)

First Aid Awareness

We all know that accidents may happen anytime, anywhere to our colleagues or loved ones. It may be simple cuts, fracture, and wounds while playing sports, choking, fainting or heart attack. The main aim of this awareness program is to let all know about first aid treatment that can be given to someone who suddenly fell ill or injured. We had given the basic first aid knowledge and skills to the children.

World Sleep Day

World sleep day is an annual, global call to spread awareness and explain the importance of healthy sleep. The aim of this day is to bring attention to the many burdens of sleepy problems. Sleep is one of the most important activities of our life like eating healthy and exercising daily. But with change of lifestyle, work pressures and hectic schedule people are sleeping for lesser hours than they did in the past. Sleep is vital to good health and a decent sleep rest can make your entire day very positive.

Interactive Session with Students

We asked children about their point of interest and described them in which path to go so that they can achieve their dreams. We have made a good interactive session with all students.

Day – 7 (17th March 2020)

Construction of Bhojanashala at ZPH School

We had painted the logo of NSS and KL|CSE Y17 Batch which makes everyone know that it was sponsored by KLEF NSS UNIT – 7. Under the construction there are few logs of wood and few plants, so we removed the wood and replaced the plants to another location.

We placed a hoarding that conveys it was contributed by KLEF NSS Unit – 7

Valedictory of Special Camp

Our Program Coordinator Mr. P. Srikanth Reddy attended and Interacted with the program officer and the volunteers. Volunteers expressed their feelings about the camp and how it went on. The village warrior's youth members arranged an valedictory function for doing social service activities for two years in their village. Mr. P. Srikanth Reddy sir and Suresh sir are also part of this. All the dignitaries and volunteers expressed their feelings and experiences during the camp.

Inauguration of Bhojanashala

An inauguration program held at ZPH School of village. The chief guest Dean Student affairs Dr. Habibulla Kha, Hobby Clubs Prof. Incharge Dr. R. Subhakar Raju, NSS Advisory Mr. K. Sripath Roy, Unit- 7 Programme officer Dr. P. Yellamma, CEA Coordinator Mr. P. Suresh and other dignitaries of ZPH School were welcomed by NSS volunteers.

The Bhojanashala was inaugurated with a ribbon cutting by Dr. Habibulla Khan All volunteers interacted with the guests.
