

Report on Road Safety Awareness

Conducted on 20-02-2021 at Chirravuru

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Computer Science Engineering (CSE) Unit-07 National Service Scheme (NSS) has conducted “**Road Safety Awareness**” on **20-02-2021** in one of the village adopted by the K L University i.e. Chirravuru. As a part of this NSS Volunteers from Unit-07 and final year students participated in the event.

Objective of this Programme: To educate People about the road safety and what precautions need to be taken to avoid road accidents.

Summary of the Event

The program was initiated to create awareness about the road safety measures so that it will benefit the society on a long run. After reaching the village, volunteers met the members of the village and gave the awareness on road safety and identified the places where accidents are likely to occur. A few places are identified for the event. Some of our Volunteers had met the members who were travelling on the road and gave some precautions about road safety like wearing helmet, don't use phone while driving, don't drink and drive, drive very slow and follow traffic rules, due to which accidents are likely to occur.

They met the people and distributed the pamphlets and made them aware of importance of Road Safety and effect of accidents. Most of the villagers showed a great interest towards Road Safety and they gave an assurance that they will follow the traffic rules while travelling. The people were very interactive and supportive when we were explaining them.

Date of the Event: 20-02-2021

Name of the Event: Road Safety Awareness

Venue: Chirravuru

No. of Participants: Students: 41 Staff: 8
