Subject: Consent letter M/s.Lanco

Dear sir,

With Reference to the lead given by our PS Head Office for getting consents from M/s.Lanco,we have contacted and scheduled a meeting with the company officials yesterday and had taken the consent letter for 7 civil Engineering students.

In this regard the company has given the list of Seven K L University students and company official told us to freeze the seven students and we conveyed smoothly that we will freeze the students as per the decision of PS Head Office.

The names of the seven students are as follows

1.G.seshu kumar

2.Alapati Maruti Sainath

3.Razia Begum

4.yanamadala.Hema krishna

5.B.Mounic singh

Dear Mr. Sridhar,

Thank you very much your support. Below are the info required.

This refers to the personnel discussion I had with your staff **Mr. D.V.P.R Sridhar, Manager.** We would like to have an intake of your students for Finishing School programme for the following area which is commencing at the earliest. In this concern, we would like to have a personal interview for the interested candidates on 11th May 2013 (preferable).

I would like to take the students from the following disciplines:

Sno	Discipline	No. of Students
1	Computer Science Engineering	04 no's(for the area of IT Infrastructure Management).
2	Electronics and Computers Management	

We will be providing hands on experience exposure and the resources needs to be skilled in in the following areas:

- Basic System/Desktop Hardware Maintenance Skills.
  - ✓ Hardware - Installation, Configuration & Upgradation
  - ✓ Troubleshooting
  - ✓ Preventative maintenance
  - ✓ Operating System - Installation, Configuration & Upgradation
  - ✓ Other hardware (printers, modems, storage devices, etc...)
- Knowledge in basic networking concepts.
  - ✓ Cabling concepts
  - ✓ OSI Layer model
  - ✓ IP Addressing
  - ✓ Switching Concepts
  - ✓ Routing
  - ✓ VPN
  - ✓ MPLS Concepts

Thank you.

Thanks & Regards

Sir,

Sub: Letter of training offer for interns.
Ref: Your letter dated NIL.

** ** ** ** **

We are pleased to extend the services to train the intern candidates (Final B.Tech students in Civil Engineering) for a period of one month in our Bangalore Urban and Rural Sub-divisions. At the first instance 8 to 10 candidates can be sent to this office for imparting training to them. During the course of internship, they will be paid a stipend of Rs.5,000/- per month (Rupees Five thousand only)

During the course of internship, they may become aware of confidential information, sometimes it may come from the trainer for teaching purpose. This information must not be shared with anyone except his or her trainer. Hence the candidates must agree to keep the information confidential both during and after their internship training. The candidates may directed to report at the address given below from 1st July, 2014 for further directions from this office.

Internal Communication

To : AT- Stations Stage-5 **Date** : June 28, 2014

From :DK – HR – HMRP **Subject** : One month – In-plant Training

:

We are directing **Ms. S Vaishnavi Rao,** B.Tech (Civil) student of K L University, Guntur for undergoing internship training at your end for a period of 01 month w.e.f. 01.07.2014

You are requested to provide necessary assistance to her.

After completion of the training you may direct her back to us.

In this connection, please note that there will not be any financial implication on the part of the Company. She has to arrange her accommodation and transportation on her own. She has to strictly comply with safety & other rules applicable at the project site.

Regards,

(Dhiraj Kumar)

Subject: Internship request from NSR Technologies.

Hello Chandra Mohan,

Here we are requesting you to make sure that the following criteria is fulfilled for the students you provide us for the industrial practice school for the academic year 2014-2015.

1) We require students from branches of CSE, ECM and ECE.
2) The student's from CSE and ECM should have knowledge about web designing, HTML, CSS and PHP.
3) The student's from ECE should have good communication and written skills as they need to deal with Clients.
4) We request you to provide student resumes with their photos attached or can mail us the resumes with their photo copy included.
5) We take 12 students 4 from each branch and request you to send resumes in 1:2 ratio.
6) We conduct telephonic interview and recruit the students.
7) We provide stipend for all the students based on their performance.
8) For more details students can refer to our website www.nsrtechnologies.co.in

Please find the attached copies.

Thanks

Basha
NSR Technologies.

The Principal,
KL University,
Green Fields,
Vaddeswaram – 522 502,
Guntur District.

Dear Sir,

Sub: Practice School Programme 2014 – Reg.
Ref: Your Letter.

Please refer to your letter cited above on the captioned subject. We accept to provide practical 'on the job training' facility to your B.Tech final year students having better CGP (4 Nos. - 2 in Mechanical & 2 in Electrical) from 15.12.2014 to 25.04.2015.

Students have to make their own arrangements for transportation during the training period and no stipend is being paid. You may depute the candidates with prior intimation to us. Students must possess identity proof from your institutions while they are in our factory premises.

Thanking you.

Yours faithfully,
For Jocil Limited,

President & Secretary.
