Dr. K R S Prasad, Dean (Student Affairs) welcomed all the committee members

Action taken report of the decisions taken in the last meeting

It was confirmed by counsellors that all students submitted online anti-ragging affidavits.

Dr K R S Prasad informed the members that no untoward incident took place in the campus related to ragging in this academic year. This is possible with the sincere efforts of entire anti-ragging committee and the team of vigilance officers. The Dean (SA) thanked all the members for this achievement.

Discussion on Agenda Items:

Agenda-1: Measures to curb Anti-ragging

To address the issue of ragging within the university, several measures have been implemented. Firstly, an extensive awareness program has been organized for first-year students to educate them about the detrimental effects of ragging and the importance of fostering a safe and inclusive campus environment. Additionally, the installation of an increased number of closed-circuit cameras across the campus aims to enhance surveillance and deter any incidents of ragging. Furthermore, surprise visits conducted by the anti-ragging committee in various areas including campus premises, hostels, and buses have reported no instances of ragging, indicating the efficacy of preventive measures. Moreover, strict enforcement of a zero-tolerance policy against ragging is upheld, ensuring severe consequences for both perpetrators and facilitators of such behavior. These comprehensive measures collectively strive to curb ragging and promote a harmonious and respectful atmosphere within the university community.

Agenda-2: Awareness program regarding anti-ragging committee is planned for the first-year students.

It was decided to arrange an awareness program on anti-ragging for the first-year students.

Agenda-3: Surprise Visits in the campus & Hostels & Buses by the Anti-Ragging Team

It was decided by the committee to regularly conduct Surprise Visits in the campus & Hostels & Buses

Agenda-4: Any other item, with the permission of the Chair.

There are no other items for discussion.

Discussion on Agenda Items:

Agenda-1: Steps taken to prevent hazing within the campus environment.

Dr. Habibulla Khan, the Dean of Student Affairs, provided insight into the issue of ragging and its negative impacts. He urged all members of the anti-ragging committee to remain vigilant in areas with high student traffic such as canteens, hostels, and sports complexes, while also emphasizing the importance of raising awareness among the student body. He proposed several measures to ensure a ragging-free campus:

1. Enforcing a strict zero-tolerance policy towards ragging, making it clear that any form of such behavior will not be tolerated, with severe consequences for both perpetrators and those who facilitate such activities.
2. Collaborating with vigilance officers to regularly monitor the campus, identifying potential hotspots and areas at risk of ragging, and implementing preventive measures accordingly.
3. Promptly identifying any instances of ragging and reporting them to the Dean of Student Affairs or a member of the anti-ragging squad.

Agenda-2: Installation of boards outlining regulations against ragging

Installation of boards displaying anti-ragging rules and helpline numbers at strategic locations throughout the university grounds

Agenda-3: Awareness program for First Year Students.

Decided to organize Awareness program for **First Year Students**

Agenda-4: Universal Human Values & Professional Ethics Course.

Syllabus of Human Values course is changed and title of the course I also changed to **Universal Human Values & Professional Ethics.**

Agenda-5: Any other item permitted by the Chair
