REPORT ON HEALTH AWARENESS PROGRAMME

Date: 18/08/2018

Time: 02:00 pm to 05.00 pm

Venue: Jasmine Hall, K L University

No. of. Beneficiaries: 36

Objectives:

The primary objectives of the awareness programme were to educate and raise awareness among the girl students about obesity and its impact on women's health. The programme aimed to:

1. Inform participants about the importance of maintaining a balance between food intake and physical activity for better health.
2. Highlight the health issues, including hormonal imbalances, obesity, and infertility, that can arise due to poor lifestyle choices and excessive weight gain.
3. Promote the understanding of dietary choices that can help improve overall health and prevent obesity-related problems.
4. Provide insights into the medical aspects of obesity and introduce potential solutions such as bariatric surgery when other weight loss methods are ineffective.
5. Address the stigma associated with obesity and encourage a more supportive and understanding environment.

Content and Outcome:

The awareness programme commenced with a warm welcome by Dr. T. Uma Maheswara Rao, the Registrar of K L E F, who introduced the resource person, Dr. G. Ramesh, a highly qualified Consultant Advanced & Laparoscopic Bariatric Surgeon.

Key Points Covered:

1. Importance of Balance: Dr. Ramesh emphasized the need for maintaining a balance between food consumption and physical activity, particularly in young girls who are the future mothers. A

lack of balance can lead to hormonal imbalances and health issues, including obesity and infertility.

2. Causes of Obesity: The discussion covered the common causes of obesity, such as excessive food intake, lack of physical activity, and genetic factors.

3. Diet Improvement: Dr. Ramesh highlighted the importance of improving diet quality by reducing the consumption of energy-dense foods high in fats and sugars while increasing dietary fiber intake.

4. Bariatric Surgery: The resource person explained that bariatric surgery is an option for individuals with severe obesity who have not been able to achieve significant weight loss through other methods. It involves reducing the size of the stomach, leading to weight loss and improvement in various health problems related to obesity.

REPORT ON WOMEN PROTECTION AND LAW

Date: 29/09/2018

Time: 02.00 pm to 05.00 pm

Venue: Jasmine Hall, K L University

No. of. Beneficiaries: 52

Objectives:

The primary objectives of the awareness programme were to educate and raise awareness among the participants, especially women students, about the importance of women's safety and the laws in place to protect them. The programme aimed to:

1. Inform participants about the alarming increase in crimes against women despite existing rules and regulations.
2. Raise awareness about the prevailing safety concerns faced by women in various situations.
3. Encourage a collective responsibility among Indian citizens, particularly men, in creating a safer environment for women.
4. Address the social and health issues related to domestic violence against women in the country.
5. Provide practical tips and self-defence techniques to enhance women's safety and confidence.
6. Familiarize participants with relevant laws and legislation aimed at protecting women's rights.

Content and Outcome:

Dr. T. Naga Lakshmi, as the resource person, delivered an informative session on women's safety and legal protections. Key points covered were:

1. **The Rising Crime Rates:** Dr. Lakshmi highlighted the concerning increase in crimes against women despite the government's efforts to control them.
2. **Shared Responsibility:** She emphasized that ensuring women's safety is not solely the responsibility of the government but requires collective efforts from every Indian citizen, especially men, to change their mindset towards women.
3. **Domestic Violence:** The session shed light on the various forms of domestic violence faced by women, including physical abuse, mental cruelty, marital rape, and dowry-related offenses.
4. **Self-Defense Techniques:** Practical self-defense techniques were demonstrated, encouraging women to equip themselves with the knowledge and skills to protect themselves.

Feedback:

The awareness programme yielded several positive outcomes and received valuable feedback from the participants:

1. Heightened Awareness: Participants became more conscious of the safety issues faced by women and the legal protections available to them.
2. Empowerment: Women students felt empowered with the self-defense techniques and practical tips shared during the session.
3. Understanding Legal Rights: The explanation of various laws and legislation concerning women's protection improved the participants' understanding of their rights.
4. Positive Feedback: Attendees appreciated the informative and relevant content presented by Dr. T. Naga Lakshmi.
5. Motivation for Change: The session inspired many participants, especially men, to reconsider their attitudes towards women's safety and become proactive in creating a safer environment.

Overall, the Awareness Programme on Women Protection and Law successfully raised awareness among the participants and empowered women with knowledge and skills to enhance their safety. It also motivated a sense of collective responsibility in creating a safer society for women.

BREAST CANCER AWARENESS PROGRAMME

Date: 05/10/2018

Time: 02:00 pm to 05:00 pm

Venue: C 625 (Computer Block)

No. of. Beneficiaries: 108

OBJECTIVES:

The primary objectives of the awareness program were to educate the audience, especially girl students, about breast cancer and its prevention. The lecture aimed to:

1. Raise awareness about breast cancer as a prevalent and significant health concern.
2. Inform the audience about the importance of early detection and preventive measures.
3. Provide information on maintaining a healthy lifestyle to reduce the risk of breast cancer.
4. Address misconceptions and concerns related to breast cancer.
5. Empower the audience with knowledge and strategies to take proactive steps towards breast health.

Content and Outcome:

The Guest Lecture on "Awareness on Breast Cancer" was conducted by Dr. Prashant Yarlagadda, a renowned Medical Oncologist specializing in cancer treatment. Key points covered during the lecture were:

1. Comprehensive Health Care: Dr. Yarlagadda emphasized the importance of comprehensive health care practices to maintain and improve overall health.
2. Precautions for Healthy Living: The lecture provided various precautions, including adopting a healthier lifestyle, changing eating habits, and avoiding known cancer-causing agents.
3. Maintaining Healthy Weight: The audience was encouraged to maintain a healthy weight through a balanced diet and regular exercise, with guidance from healthcare professionals.
4. Mediterranean Diet: The benefits of a Mediterranean diet, rich in plant-based foods, healthy fats (e.g., olive oil), and fish, were highlighted as a possible way to reduce the risk of breast cancer.
5. Avoiding Unnecessary Radiation: The importance of limiting unnecessary radiation exposure, especially from medical tests like CT scans and X-rays, was emphasized to reduce potential risk factors.

FEEDBACK:

The awareness program achieved positive outcomes and received valuable feedback from the audience:

1. **Increased Awareness:** The audience gained a deeper understanding of breast cancer as a health concern and the importance of early detection and prevention.
2. **Empowerment:** Participants felt empowered with knowledge about lifestyle changes they can adopt to reduce the risk of breast cancer.
3. **Clarification of Concerns:** Misconceptions and concerns related to breast cancer were addressed, providing clarity to the audience.
4. **Engagement and Interaction:** The question and answer session allowed for active engagement and interaction, providing a more personalized learning experience.
5. **Recognition and Appreciation:** Dr. Prashant Yarlagadda was honored with a shawl and memento, indicating the appreciation and value the institution placed on the information he shared.

Overall, the Awareness Programme on Breast Cancer successfully fulfilled its objectives by educating the audience about breast cancer prevention and promoting proactive measures for breast health. The lecture helped in dispelling myths, encouraging a healthy lifestyle, and providing valuable insights to the attendees. The positive feedback and engagement from the audience indicated the effectiveness of the program in raising awareness and empowering individuals to take charge of their health.

REPORT ON COSMETIC VEDA-AYURVEDIC SOLUTIONS

Date: 25/01/2019

Time: 03:30 pm to 04:45 pm

Venue: Rose Hall, K L University

No. of Beneficiaries: 42

Objectives:

The primary objectives of the workshop were to educate the participants about Ayurvedic solutions for skin and hair problems and promote the benefits of Ayurveda in maintaining overall health and well-being. The workshop aimed to:

1. Introduce the principles of Ayurveda and its focus on balancing body, mind, and spirit for optimal health.
2. Raise awareness about the traditional Indian practice of Ayurveda and its relevance in modern times.
3. Educate participants about Ayurvedic approaches to address skin and hair-related issues.
4. Provide practical tips and home remedies using natural herbs and lifestyle changes for healthy skin and hair.
5. Empower the audience to take a proactive approach to their health by incorporating Ayurvedic practices into their lives.

Content and Outcome:

The workshop on "Cosmetic Veda - Ayurvedic Solutions for Skin and Hair Problems" was conducted by Dr. S. Sahithi, a distinguished Ayurvedic practitioner. Key points covered during the workshop were:

1. Introduction to Ayurveda: Dr. Sahithi explained the essence of Ayurveda, its origin, and its fundamental principles of balancing the body, mind, and soul for overall well-being.
2. The Role of Ayurveda in Modern Times: The importance of Ayurveda in contemporary life was highlighted, emphasizing its relevance in addressing various health issues.
3. Ayurvedic Solutions for Skin Problems: Dr. Sahithi shared Ayurvedic tips and remedies for achieving clear, radiant, and healthy skin, especially during harsh weather conditions.

REPORT ON LEGAL RIGHTS FOR WOMEN

Date: 09/02/2019

Time: 03:30 pm to 04:45 pm

Venue: Jasmine Hall, K L University

No. of Beneficiaries: 80

Objectives:

The primary objectives of the awareness programme were to educate and empower the participants, especially women students, about their legal rights and protections. The programme aimed to:

1. Raise awareness about women's fundamental rights and the prevalence of violence against women in India.
2. Inform the participants about the legal safeguards and legislations available to protect women's rights.
3. Educate the audience about their rights to dignity, safety, and free legal aid in case of any violations.
4. Empower women to stand up against harassment and take charge of their rights and well-being.
5. Promote a sense of self-advocacy and assertiveness among women students.

Content and Outcome:

The awareness programme on "Women's Legal Rights" began with a welcome note from Dr. M. Sreedevi, the Coordinator of KLEF Women's Forum. Mrs. Radhika, a Judicial Officer from Guntur District, was introduced as the resource person. Key points covered during the programme were:

1. Prevalence of Violence: Mrs. Radhika highlighted the unfortunate reality of violence against women, emphasizing the need for vigilance and awareness of legal rights.
2. Importance of Awareness: The resource person stressed that many women are unaware of their legal rights, which can lead to their rights not being protected adequately.
3. Rights and Safeguards: Participants were informed about various legislations and laws that provide rights and safeguards for women in different situations, such as right to dignity, right against harassment at work, and right to free legal aid.
4. Empowerment: The audience was encouraged to embrace their power and voice, and to take action against harassment and injustice.

Women's Day celebration has evolved and embraced culture and ethnicity to emerge as a celebration of appreciation, respect and love towards women. Women should also identify their strengths and abilities, and move towards a world of empowerment. On the event of Women's Day, let us all promise to create a better world to live in.

... complete within herself she has
... s right! Her strength, I would like
The first lesson that all of us learn
start only at home and the rest follows with the kind of attitude we have got
instilled in us. Inclusive support if we say, that includes each one of us
including the men. We together can start with the empowerment right at home,
you don't need to learn a lesson for it. For instance we can encourage the
ladies at our home, our mother, sisters, and wives to pursue their dreams
and excel in their career. A wholehearted support, be it however trivial, will
boost their self confidence and will have a transforming impact on the women'
way of life. They can only come out of the pathetic situations that we humans
have created. Let's fight it together!! Together we will over any big problem!!

Mrs. Nikhita karthekeyan, Founder and **Director of Leap India Food & Logistics** gave motivational speech about women entrepreneurs. Every year we celebrate women's day in our university with a lot of enthusiasm, bonhomie and fanfare. I get treated to a wonderful show of women talent and capability. The talented and aspirated young ladies sang, danced, mimicked and recited poetry on women power during the cultural program. What really struck me during the brief interaction with them, was others performance. The message I wanted to convey through my speech was exactly this !

“The way in which we think of ourselves has everything to do with how our world sees us and how we see ourselves successfully acknowledged by the world.” - Arlene Rankin.

On International Day for women, huge sentiments are expressed about the power of women and many proverbs and poems directed towards women. It is really nice to have a special day for yourself where you are glorified to a point of being dazed, honoured, awarded etc.

All this is fine. Then let's talk about the day after all this hype about women's day subsides, when I am brought back to mother earth – My true place.

A woman is the full circle. Added to this is the indisputable fact that most of the times, it is women who are obstacles to women themselves. Here it's not just women's support that will matter, but men's support also without which true empowerment cannot be achieved. For, men play very important roles –Father, Brother, Grandfather, Uncle, Husband, Son, Teacher, Adviser and Friend. The influence and mind set of all these roles is extremely vital for the true empowerment of a woman.

Small things like encouraging a daughter to find her dreams and helping her achieve them, appreciating the efforts and helping a woman at home treating all children equal boy or girl.

We all look up to strong While stating all this I would like to thankfully acknowledge my mother, my dad and my family and their role in supporting me, developing my confidence, treating me on par with my brothers, while encouraging me to believe that I was better if not equally as good as anyone else in this world. This faith reposed in me, helped me stand up for myself and rise time after time, in spite of innumerable setbacks, failures and falls in life and still be able to stand tall and face life courageously with enthusiasm and a, independent women. But how do we become one ourselves?

There are two ways of spreading light ...To be the candle, or the mirror that reflects it.

By honouring yourself and treating yourself with respect, you set the stage up for others to treat you with respect. Developing great self esteem, believing in ones self, having a never-say-die attitude and most importantly by supporting

Guest of honor **Mrs. B. Avula ManjuLatha** Professor Telugu University gave motivational speech to the students. Good Evening everyone, Thanks for your get together here and giving your precious time, on this special occasion I am going to deliver a speech on International Women's Day.

On behalf of the entire management and everybody present here, I would like to extend my thanks to all the ladies present here. You people are incredible in your

own way. I am pretty sure that I will be short of words to express my gratitude for the womanhood. Entire feminine category present in this nation has lead this world to an extraordinary extent. This single day is way too concise to appreciate the things you people do on both personal and professional end of your lives. There is no limit to the work or efforts that a woman can put forward for her own progress as well as the progress of the people linked to her.

Women have continuously strived through put in a strong image for themselves through the past decades. And, I will suggest you all to keep doing your best. You should stand strong and fight for your rights, you have all rights to further educate yourselves and enhance your skills, learn safety techniques and much more. Woman have been just like water, easy to fit on every role that they are offered for. Personal or professional, big or small, entrepreneurs or employees; each and every role has witnessed the perfect blend of women combination. We are overwhelmed to have you all in our organization, each of yours presence has enhanced the University's progress.

Glad that we get this honour of recognizing and celebrating our efforts on this occasion of women day. We all should owe this responsibility to appreciate and respect every women present in our lives. They are the best blend of teachings and affections.

Happy women's day to all you courageous and incredible women. Your presence is inexpressible in few words and so are your deeds. Each one of you has the perfect special role that you are playing in many lives. Without women the world and our lives are incomplete.

Thank you everyone for being a part of this occasion. Thank you all.

HEALTH CAMP ON BLOOD GROUP & HEMOGLOBIN TEST

Date: 02/04/2019

Time: 10:00 am to 01:00 pm

Venue: C Block, Room no C-511 Bio-Tech Lab, K L University

No. of. Beneficiaries: 38

Objectives:

The primary objectives of the health camp were to provide faculty, staff, and students with the opportunity to undergo blood group and hemoglobin tests. The camp aimed to:

1. Raise awareness about the importance of knowing one's blood group and hemoglobin level for overall health monitoring.
2. Offer a convenient and accessible platform for individuals to get their blood group and hemoglobin levels checked.
3. Identify potential cases of anemia and other blood-related conditions.
4. Encourage individuals to take proactive measures for maintaining good health and addressing any detected deficiencies.

Health Camp Content and Outcome:

The health camp on "Blood Group & Hemoglobin Test" provided participants with an opportunity to undergo the following tests:

1. **Blood Group Test:** Participants were informed about the significance of knowing their blood group, which is crucial for blood transfusions and medical emergencies.
2. **Hemoglobin Test:** The camp conducted hemoglobin tests to measure the amount of hemoglobin in participants' blood, helping identify potential anemia cases.
3. **Test Procedure:** Trained medical professionals and technicians conducted the tests, ensuring accurate and reliable results.
4. **Awareness and Education:** The participants were educated about the importance of hemoglobin in carrying oxygen and its impact on overall health.

The health camp on "Blood Group & Hemoglobin Test" achieved several positive outcomes and received valuable feedback from the participants:

1. **Increased Awareness:** Participants became more aware of the significance of knowing their blood group and hemoglobin levels for health management.
2. **Early Detection:** The health camp helped in the early detection of anemia and potential blood-related conditions among participants.
3. **Convenience and Accessibility:** The camp provided a convenient and accessible platform for individuals to get their blood tests done on the campus.
4. **Health Monitoring:** Participants were motivated to take charge of their health by regularly monitoring their blood group and hemoglobin levels.
5. **Positive Feedback:** The participants appreciated the initiative taken by the KLEF Women's Forum in organizing the health camp.

Overall, the Health Camp on "Blood Group & Hemoglobin Test" successfully fulfilled its objectives by promoting health awareness and offering participants the opportunity to get their blood group and hemoglobin levels checked. The early detection of anemia and other blood-related conditions allowed individuals to take necessary actions for their health improvement. The positive feedback from the participants indicated the effectiveness of the camp in providing valuable health services to the faculty, staff, and students.
