Sub: Permission for conducting Raasrang: Dandia&Garba night on the occasion of Navratri

I am writing to request you for giving permission for the upcoming **KUTUMB Major event** scheduled for **October 19, 2023, from 6:00 PM to 11:00 PM**. This event, titled "**Raasrang**", aims to celebrate Navratri with the actual culture and traditions of North India among our university and nearby university students, faculty and staff.

This event will unite all of us and will help us to showcase our tradition. There is a huge number of students in our university and surrounding university and college, who are staying far from home and due to this they are unable to celebrate the festival in their traditional way. This event won't provide them much to celebrate the "**Navratri**" festival but it will give them at least one night to showcase their talent and tradition, to celebrate the festival in there way, and enjoy as much as possible even after staying far from home.

In this event, we want to conduct a traditional costume fashion show and after that, we will conduct a small ritual of worshiping goddess Durga after that a garba and dandiya dance named Raasrang where we will perform the traditional dance form from Gujrat that is garba and dandiya. And after this our program will be over. This is a brief description of our event.

Therefore, I request you to give us permission for the event so that we can proceed.

Thank you for considering our request.
