Overview

On 11th July 2024, KL University celebrated World Population Day with great enthusiasm and commitment. The event was marked by a series of activities aimed at raising awareness about population issues and their impact on the planet. The celebration saw the participation of around 800 students, both virtually and physically, who actively engaged in various programs designed to highlight the challenges and potential solutions associated with overpopulation.

Activities Conducted

1. Yoga Session
2. Sanitation and Cleaning Drive
3. No Plastic Campaign
4. Tree Plantation and Green Space Creation
5. Panel Discussions and Expert Talks

Key Highlights

Participation: The event saw active participation from approximately 800 students, who contributed both virtually and physically.

Awareness: The activities conducted throughout the day aimed at raising awareness about the pressing issues related to overpopulation and their impact on the planet.

Engagement: Students engaged in hands-on activities, discussions, and learning sessions, fostering a sense of responsibility and proactive attitude towards environmental and population challenges.

Conclusion

The World Population Day celebration at KL University was a resounding success, marked by high student engagement and impactful activities. The event not only highlighted the critical issues associated with overpopulation but also empowered students with the knowledge and tools to contribute to sustainable development. Through yoga, sanitation drives, environmental campaigns, and insightful discussions, the students of KL University demonstrated their commitment to creating a better future for the planet and its inhabitants.
