Description

Report on: WORD WEAVE

Event: Monthly Event

Organized by: VACHAS Club, KL University

Date: 25th february 2025

Venue: SAC Hall

About the Event:

In this game, participants are split into two teams. A host or moderator will present a Gen Z slang word, and both teams must quickly guess its meaning. The first team to give the correct definition earns a point. The game continues with different slang words, and the team with the most points at the end wins. This activity is fun, engaging, and a great way to learn modern slang while fostering teamwork and quick thinking.

Overview of the Event:

Introduction and Welcome

Language is a powerful tool that evolves with each generation, and Gen Z has brought a fresh and dynamic set of slang words that are commonly used in social media, online conversations, and daily interactions. Understanding these terms can help bridge generational gaps and make communication more engaging and relatable.

In this fun and interactive game, participants are divided into two teams and challenged to guess the meanings of popular Gen Z slang words. The first team to correctly define the word earns a point. This activity is not only entertaining but also an opportunity to learn new expressions, think quickly, and work collaboratively as a team. Whether you're already familiar with Gen Z slang or completely new to it, this game promises to be an exciting and educational experience!

Activity Outcomes

By the end of this activity, participants will:

- **Expand Their Vocabulary:** Learn and understand commonly used Gen Z slang words.
- **Improve Communication Skills:** Gain insight into how language is evolving and how it influences modern interactions.
- **Develop Quick Thinking:** Enhance their ability to process information and respond quickly under pressure.
- **Foster Teamwork and Collaboration:** Work together with their teammates to discuss and come up with the correct answers.
- **Encourage Engagement and Fun:** Create a lively and enjoyable environment that promotes active participation and learning.
