Description

About the Event:

The "Holi Special" event, held on 13 March 2025 at Jasmine hall, was an exhilarating experience organized by the Stand Up Comedy Club. This event was fully packed with fun as the amount of crowd work and scripts were performed very well.

Introduction and Welcome:

Students were welcomed with a free space to laugh about the troubles in the general life of a student. Bringing them all together and making them laugh on the daily observation of a typical student. Through which they were truly engaged and were paying keen attention to what we were doing.

Interactive and Encouraging Session:

The event turned purely interactive when the students were asked about their experiences during their previous holi celebration and many other such comic experiences. One of our Team member joined the stage and gave every hilarious experience on one of his previous Holi celebrations.

Then a student in the crowd decided to showcase his talent which we encouraged and let him have the stage for 5 minutes which he performed well.
