---

Introduction to resource person:

Mr. Dantala Ravithej, Advanced Business Analyst, Level-4 Business Applications, NoVo Nordisk-Bangalore. His ID NO: 09101737.

Mr. D.Ravithej had obtained Bachelor's degree in Electrical and Electronics Engineering (Specialized in Power Electronics & Drives) from KL University.

He has 9+ years of experience in both IT & Life Sciences sector. He received appreciation for modernising maintenance & integrating spare parts management which had resulted in reduced downtime at each unit and increased sustainability. He had developed quality metrics to facilitate authoring of test scripts by identifying the exceptions and respective root causes and working collaboratively with Business, testers and SQA.

He is Currently working on digitalising manual tasks, which could result in higher compliance and better traceability.

Ravithej' s expertise includes industrial automation; release management; 21CFR regulations; SDLC; change management; application management; stakeholder management. Currently working as an Advanced Business Analyst [level 4 applications] at Novo Nordisk, Bangalore.

Mr. D.Ravithej (ID No: 09101737)

1. Engineer - MAC Machine Tools & Automation private limited (Jun 2013 to Feb 2015)
2. Sr.Executive - Mylan Laboratories ltd (Feb 2015 to Oct 2018)
