However, all such are essentially designed, implemented and assessed in Outcome Based Education Framework.

Program Structure:

An Academic Year is made of two semesters each is of, approximately 16+1 week duration and each semester is classified as:

- Odd Semester
- Even Semester

KLEF may offer summer term between May and June.

Students have the flexibility to choose courses of their own choice prescribed by the institution.

- Every course has a Lecture-Tutorial-Practice-Skill (L-T-P-S) component attached to it.
- Based upon the L-T-P-S structure the credits are allotted to a course using the following criteria.
- Every 1 hour of Lecture / Tutorial session is equivalent to one credit.
- Every 2 hours of Practical session is equivalent to one credit.
- Every 4 hours of skill-based practice is equivalent to one credit.
- A course may have one or more of its preceding course(s) as pre- requisite(s).
- To register for a course, the student must successfully be promoted in these course(s) earmarked as pre-requisite(s) for that course.

Course Structure:

If any student for any exceptional reasons fails to attend 70% of the classes held in any course, the Principal of the College may allow the student to take the exam, if the student concerned attended at least 65% classes held in the course concerned and 70% of the classes in all the courses in entire semester taken together. Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

The CGPA is also calculated in the same manner considering all the courses undergone by a student over all the semesters of a program, where S_i is the SGPA of the i th semester and C_i is the total number of credits in that semester.

- The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
- CGPA can be converted to percentage of marks: $10 \times \text{CGPA} - 7.5$
- A student appearing for a course having practical integrated with theory and in case obtains less than 40% in either of practical or theory component of semester end examination, and in such case the student must reappear for the component only in which he has secured less than 40%. Till successful attainment of minimum 40% of both components, the student remains in the F grade for that course.
- Audit/Certificate courses are graded as Satisfactory (S) or Non-Satisfactory (NS) only.
