### NSS Activity: 26th January 2023

## Plantation and Awareness Camp at Revendrapadu Village

### Department of Mechanical Engineering

On the auspicious occasion of Republic Day, the Department of Mechanical Engineering at Koneru Lakshmaiah Education Foundation, in collaboration with NSS Unit-3, organized a meaningful event at Revendrapadu Village. The event aimed to celebrate Republic Day through two primary activities: the plantation of plants and an awareness camp highlighting the importance of this national day.

#### Plantation Activity:

- **Participants:** Mechanical Engineering students, faculty members, and villagers.
- **Activities:**
  - Planting a variety of saplings in designated areas within the village.
  - Educating participants on the proper care and maintenance of plants.
  - Encouraging the villagers to continue the initiative by providing additional saplings and guidance.

#### Awareness Camp:

- **Theme:** Importance of Celebrating Republic Day
- **Speakers:** Faculty members and student volunteers from the Mechanical Engineering Department.

**Topics Covered:**

- Historical significance of Republic Day.
  - The importance of the Indian Constitution.
  - The role of citizens in upholding democratic values.
  - The importance of community involvement in national celebrations.
- 
- **Activities:**
    - Interactive sessions with villagers, including Q&A segments.
    - Distribution of informative pamphlets and booklets.
    - Cultural performances by students to celebrate the spirit of Republic Day.

The event was a significant success, fostering environmental awareness and national pride among the villagers of Revendrapadu. The active participation of students, faculty, and villagers made the event memorable and impactful. The Mechanical Engineering Department, along with NSS Unit-3, looks forward to organizing similar events in the future to continue contributing to society and promoting national values.
