NATIONAL CADET CORPS REPORT ON CONVOCAATION EVENT - 2022

A **Convocation** (from the Latin convocare meaning "to call/come together", a translation of the Greek *ekklēsia*) is a group of people formally assembled for a special purpose, mostly ecclesiastical or academic. In academic use, it can refer variously to a gathering of all of an institution's alumni, to a ceremony at the start of the academic year to welcome incoming students, and to a graduation ceremony (sometimes otherwise known as a commencement). In this event conducted by KL University many graduating students from the university received their degree and Ph.D certificates by the honorary members and the chief guest of the university.

The cadets of KL University, 22(A) BN, Tenali and 10(A) girls BN, Guntur actively participated in the event. They have done an excellent work in the event. The cadets were appreciated by the chief guest and deans of the university. The cadets actively took part in the crowd maintenance and discipline control during the event.
