## NATIONAL CADET CORPS

### REPORT ON

## INDEPENDENCE DAY - 2022

India, which celebrates Independence Day on 15 August, will mark its 75th anniversary this year. The occasion is invariably toasted with great enthusiasm and gusto across the nation, and a grand celebration is usually organised at the Red Fort in New Delhi. People hoist the tricolour flag, sing the national anthem, and keenly participate in various cultural events. To celebrate the day, the government of India will be organising different events under 'Azadi ka Amrit Mahotsav', with the 'Nation First, Always First' theme. The government aims to hoist 200 million Tricolours to mark the special occasion. On this day, the Prime Minister addresses the country from the Red Fort. This tradition was started by Jawaharlal Nehru, the first prime minister of the independent India, and is continued till date.

The Independence Day of India is celebrated all over the country on 15 August with great enthusiasm. The day is of great significance to every Indian as it reminds about the beginning of new India, the beginning of an era when India got free from British colonialism after being ruled for more than 200 years. On this day, we pay tribute to all freedom fighters and leaders who struggled and sacrificed their lives to bring independence to the country.

The cadets of 22(A)BN, Tenali of KLEF actively participated in this auspicious day at the university campus. The cadets performed marching with great dedication and enthusiasm. The cadets received appreciation from all the dignitaries present there for their exemplary and disciplined marching in front of the dias.
