REPORT ON

SWACHHTA HI SEVA-2021

Swachhta Hi Seva', an initiative of the Swachh Bharat Mission, aims to generate greater public participation, reinforce the concept of "sanitation as everyone's business" and culminate Mahatma Gandhi's 150th birth year celebration with a nationwide campaign. Prime Minister Narendra Modi launched Swachhta Hi Seva, a cleanliness initiative building up to Gandhi Jayanti on October 2 with a call to action 'Say No To Plastic' and 'Make India Single-Use-Plastic Free'.

Addressing the gathering of more than 15,000 people in Mathura, Uttar Pradesh today PM Modi said, "This time, we have associated Swachhta *Hi Seva* with plastic. With time, plastic waste and plastic problems are increasing; it is harming our animals, rivers, water bodies, aquatic animals and what not. That is why it is important that we say no to the use of single-use plastic. We need to try to free our homes, our offices, our workspaces from single-use plastic by October 2 this year.

The conversation to make India plastic-free was started by PM Modi this year from the ramparts of Red Fort while addressing the nation on the 73rd Independence Day. He said, “During my 2014 speech, I spoke about cleanliness. It became a movement in the country and the common man took it up with gusto. Today, I have another request. By October 2, on the birth anniversary of Dear Bapu (Mahatma Gandhi), I want to urge the citizen to give up single-use plastic.”

Later, PM Modi took his request forward during his weekly programme, *Mann Ki Baat* and appealed each and every citizen to be a part of plastic-free India movement. Many celebrities and leaders have joined PM Modi and have taken his plastic-free India appeal forward. The “cleanliness is service” campaign will continue till Mahatma Gandhi’s birth anniversary on October 2, with Mr. Modi asking people to rededicate themselves to fulfilling the father of the nation’s dream of a clean India during an interactive programme.
